CORPORATION FOR NATIONAL AND COMMUNITY SERVICE**Privacy Act of 1974; System of Records**

AGENCY: Corporation for National and Community Service.

ACTION: Rescinding of a system of records notice.

SUMMARY: The Corporation for National and Community Service (CNCS) is rescinding a system of records named *Employee/Member Occupational Injury/Illness Reports and Claim Files—Corporation-6*. The system of records was used to manage information about CNCS staff and full-time volunteers who filed workers' compensation claims under the Federal Employees' Compensation Act (FECA).

DATES: You may submit comments until June 15, 2020. This system of records notice (SORN) will be rescinded June 15, 2020 unless CNCS receives any timely comments which would result in a contrary determination.

ADDRESSES: You may submit comments, identified by system name and number, to CNCS via any of the following methods:

1. Electronically through *regulations.gov*.

Once you access *regulations.gov*, locate the web page for this SORN by searching for *Employee/Member Occupational Injury/Illness Reports and Claim Files—Corporation-6*. If you upload any files, please make sure they include your first name, last name, and the name of the SORN being rescinded.

2. By email at *privacy@cns.gov*.

3. By mail: Corporation for National and Community Service, Attn: Chief Privacy Officer, OIT, 250 E Street SW, Washington, DC 20525.

4. By hand delivery or courier to CNCS at the address for mail between 9:00 a.m. and 4:00 p.m. Eastern Standard Time, Monday through Friday, except for Federal holidays.

Please note that all submissions received may be posted without change to *regulations.gov*, including any personal information.

FOR FURTHER INFORMATION CONTACT:

Aaron Goldstein, (202) 606-3237, or by email at *AGoldstein@cns.gov*. Please include the system of records' name and number.

SUPPLEMENTARY INFORMATION: The U.S. Department of Labor (DOL) Office of Workers' Compensation Programs administers the Federal workers' compensation program established by FECA. However, each agency must complete certain tasks when a claim is filed against that agency. CNCS previously established and maintained *Employee/Member Occupational Injury/Illness Reports and Claim Files—Corporation-6* to manage the records that CNCS collected to complete those tasks. After DOL published a government-wide SORN titled *DOL/GOVT-1, Office of Workers' Compensation Programs, Federal Employees' Compensation Act File* (81 FR 25765, 25776, April 29, 2016), CNCS began using that SORN to handle the records. This makes *Employee/Member Occupational Injury/Illness Reports and Claim Files—Corporation-6* redundant, so CNCS is rescinding it.
