A. Overview of Information Collection

Title of Information Collection: Rental Assistance Demonstration (RAD); Supporting Contracts and Processing Requirements.

OMB Approval Number: 2502-0612.

OMB Expiration Date: 04/30/2020.

Type of Request: Revision of a currently approved collection.

Form Numbers: 52611, 52614, 52617, 52619, 52620A, 52620B, 52621A, 52624, 52625, 5679, 5977, 5978.

Description of the need for the information and proposed use: RAD allows Public Housing, Mod Rehab, Rent Supp, RAP, and 202 PRAC properties to convert to long-term project-based Section 8 rental assistance contracts. Participation in the demonstration is voluntary and HUD approval is discretionary. Participating Public Housing Agencies (PHAs) and Multifamily Owners are required to submit documentation for processing and completing the conversion. Through these documents (collectively, the RAD documents), HUD evaluates whether the PHA or owner has met all of the requirements necessary to complete conversion as outlined in Housing Notice 2019-09/PIH Notice 2019-23 (HA) Rental Assistance Demonstration—Final Implementation Notice (RAD Notice) Revision 4 and Housing/PIH Notice 2016-17—Rental Assistance Demonstration (RAD) Notice

Regarding Fair Housing and Civil Rights Requirements and Relocation Requirements Applicable to RAD First Component—Public Housing Conversions or successor notices. The RAD processing request is made through a Web-based portal. Overall, the RAD documents and information requested through such documents allow HUD to determine which applicants continue to meet the eligibility and conversion requirements. Finally, all applicants will be required to sign the appropriate contractual documents to complete conversion and bind both the applicant and HUD, as well as set forth the rights and duties of the applicant and HUD, with respect to the converted project and any payments under that project. This is a revision request of a currently approved collection. Several changes have been made under both components of RAD. The changes under the First Component of RAD are as follows: The inclusion of the RAD Application under this ICR (formerly under OMB Approval Number 2577-0278), the reorganization and streamlining of RAD Fair Housing, Civil Rights, and Relocation Submission Requirements, an update of all forms to reflect programmatic changes and improvements over the past three years, the replacement of a rider to an existing PBV HAP contract with a single contract form that incorporates all requirements into a single form, the creation of a survey of new contract voucher administrators to ensure that the amount of funding provided for converted properties is adequate, and the creation of a Post-Closing Completion Certification form for owners to document compliance with certain requirements. In addition, under the Second Component of RAD, the changes are as follows: The creation of the Submission of Interest for owners to connect with HUD for technical assistance, the creation of HAP contracts for the conversion of Project Rental Assistance Contract (PRAC) to PBRA and PBV as well as the new Elderly Housing Use Agreement to be recorded on PRAC properties that have converted through RAD, an update of all forms to reflect programmatic changes and improvements over the past three years, and the implementation of the Mod Rehab data, a collection of owner information requested. Both Components of RAD will now have the incorporation of a Conversion Plan under the Second Component, modeled after the Financing Plan used in the First Component. Both components will also now include a collection of a post-closing completion certification to monitor compliance with requirements

agreed to, as part of the conversion, and ensuring that any and all record-keeping that PHAs and owners must undertake to comply with requirements under the RAD Notice is acknowledged under this ICR.

Estimated Number of Respondents: 370.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping and countervailing duty orders on calcium hypochlorite from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: March 6, 2020.

FOR FURTHER INFORMATION CONTACT:

Tyler Berard (202-205-3354), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On March 6, 2020, the Commission determined that the domestic interested party group response to its notice of institution (84 FR 66002, December 2, 2019) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

² Commissioner Jason E. Kearns did not participate in these determinations.

Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on May 18, 2020, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before May 22, 2020 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by May 22, 2020. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules with respect to filing were revised effective July 25, 2014. See 79 FR 35920 (June 25, 2014). The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

³ The Commission has found the response submitted by Innovative Water Care, LLC d/b/a Sigura to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).
