SUPPLEMENTARY INFORMATION: This class exemption exempts from the prohibited transaction provisions of ERISA, the sale of individual or annuity contracts by a plan to participants, relatives of participants, employers, any of whose employees are covered by the plan, other employee benefit plans, owner-employees, or shareholder-employees, for the cash surrender value of the contracts, provided certain conditions set forth in the exemption are met. The Department has included in the class exemption a basic disclosure requirement. Pension plans are required to inform the insured participant of a proposed sale of a life insurance or annuity policy to the employer, a relative, another plan, an owner-employee, or a shareholder-employee. If the participant elects not to purchase the contract, the relative, the employer, another plan, the owner-employees, or the shareholder-employees may purchase the contract from the plan upon the receipt by the plan of written consent of the participant.
