#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Spectrum Forward Consortium

Notice is hereby given that, on May 4, 2020, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), the Spectrum Forward Consortium (“SFC”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to the venture and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the identities of the parties to the venture are: Consortium Management Group, Inc. (“CMG”), on behalf of the Spectrum Forward Consortium, Washington, DC; Fathom 4, LLC, Charleston, SC; Logistic Services International, Inc., Jacksonville, FL; Netorian, LLC, Aberdeen, MD; StartGuides, LLC, Alexandria, VA; and Tiburon Associates, Inc., Grand Rapids, MI.

The general area of SFC’s planned activity is to execute and implement an Other Transaction Agreement (“OTA”) with the U.S. Government

(“Government”) (a) for the funding of certain research, development, testing and evaluation of prototypes leading to follow-on project production to be conducted as a collaboration between the Government and the SFC Members, to enhance the capabilities of the Government and its departments and agencies in the development of prototypes and full production thereof in the critical electromagnetic spectrum technology fields (“SFC Mission”); (b) to participate in the establishment of sound technical and programmatic performance goals based on the technical needs and requirements of the Government’s electronic spectrum Technology Objectives; (c) to provide a unified voice to effectively articulate the global and strategically important role the SFC Mission plays in furthering national security objectives; and (d) to maximize the utilization of the Government’s and SFC Members’ capabilities to effectively develop critical technologies which can be transitioned and commercialized.

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Cooperative Research Group on Particle Sensor Performance and Durability

Notice is hereby given that, on May 11, 2020, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Southwest Research Institute—Cooperative Research Group on Particle Sensor Performance and Durability (“PSPD–II”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Faurecia Systemes D’Echappement (FSE), Nanterre, FRANCE, has withdrawn as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and PSPD–II

intends to file additional written notifications disclosing all changes in membership.

On March 25, 2015, PSPD–II filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on April 14, 2017 (82 FR 18012).

The last notification was filed with the Department on June 7, 2018. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on July 9, 2018 (83 FR 31774).

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Integrated Photonics Institute for Manufacturing Innovation Operating Under the Name of the American Institute for Manufacturing Integrated Photonics

Notice is hereby given that, on May 1, 2020, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), the Integrated Photonics Institute for Manufacturing Innovation operating under the name of the American Institute for Manufacturing Integrated Photonics (“AIM Photonics”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Bra-Ket Science, Inc., Austin, TX; Carnegie Mellon University, Pittsburgh, PA; and Intelligent Fiber Optic Systems, Inc., San Jose, CA have been added as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and AIM Photonics intends to file additional written notifications disclosing all changes in membership.

On June 16, 2016, AIM Photonics filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section

6(b) of the Act on July 25, 2016 (81 FR 48450).

The last notification was filed with the Department on December 23, 2019. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on January 30, 2020 (85 FR 5477).
