

amended, 5 U.S.C. App. (FACA). The Board advises the Secretary of Commerce on government policies and programs that affect the U.S. travel and tourism industry. The Board acts as a liaison to the stakeholders represented by the membership, consulting with them on current and emerging issues in the industry to support sustainable growth in travel and tourism.

The National Travel and Tourism Office is accepting applications for Board members. Members shall be Chief Executive Officers or senior executives from U.S. companies, U.S. organizations, or U.S. entities in the travel and tourism sectors representing a broad range of products and services, company sizes, and geographic locations. For eligibility purposes, a "U.S. company" is a for-profit firm that is incorporated in the United States (or an unincorporated U.S. firm with its principal place of business in the United States) that is controlled by U.S. citizens or by other U.S. companies. A company is not a U.S. company if 50 percent plus one share of its stock (if a corporation, or a similar ownership interest of an unincorporated entity) is known to be controlled, directly or indirectly, by non-U.S. citizens or non-U.S. companies. For eligibility purposes, a "U.S. organization" is an organization, including trade associations and nongovernmental organizations (NGOs), established under the laws of the United States, that is controlled by U.S. citizens, by another U.S. organization (or organizations), or by a U.S. company (or companies), as determined based on its board of directors (or comparable governing body), membership, and funding sources, as applicable. For eligibility purposes, a U.S. entity is a tourism-related entity that can demonstrate U.S. ownership or control, including but not limited to state and local tourism marketing entities, state government tourism offices, state and/or local government-supported tourism marketing entities, and multi-state tourism marketing entities.

Members of the Board will be selected in accordance with applicable Department of Commerce guidelines based on their ability to carry out the objectives of the Board as set forth in the Board's charter and in a manner that ensures that the Board is balanced in terms of geographic diversity, diversity in size of company or organization to be

represented, and representation of a broad range of services in the travel and tourism industry. Each member shall serve for two years from the date of the appointment, and at the pleasure of the Secretary of Commerce.

Members serve in a representative capacity, representing the views and interests of their particular business sector, and not as Special Government employees. Members will receive no compensation for their participation in Board activities. Members participating in Board meetings and events will be responsible for their travel, living, and other personal expenses. Meetings will be held regularly and, to the extent practical, not less than twice annually, usually in Washington, DC.
