BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0850 and OMB 3060-0896; FRS 16753]

Information Collections Being Submitted for Review and Approval to Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it can further reduce the information collection burden for small business concerns with fewer than 25 employees.

DATES: Written comments and recommendations for the proposed information collection should be submitted on or before June 19, 2020.

ADDRESSES: Comments should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Your comment must be submitted into www.reginfo.gov per the above instructions for it to be considered. In addition to submitting in www.reginfo.gov also send a copy of your comment on the proposed information collection to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov. Include in the comments the OMB control number as shown in the **SUPPLEMENTARY INFORMATION** below.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection, contact Cathy Williams at (202) 418-2918. To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called “Currently Under Review,” (3) click on the downward-pointing arrow in the “Select Agency” box below the “Currently Under Review” heading, (4) select “Federal Communications Commission” from the list of agencies presented in the “Select Agency” box, (5) click the “Submit” button to the

right of the "Select Agency" box, (6) when the list of FCC ICRs currently under review appears, look for the Title of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

SUPPLEMENTARY INFORMATION: The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might "further reduce the information collection burden for small business concerns with fewer than 25 employees."

OMB Control No.: 3060–0850.

Title: Quick-Form Application for Authorization in the Ship, Aircraft, Amateur, Restricted and Commercial Operator, and General Mobile Radio Services, FCC Form 605.

Form No.: FCC Form 605.

Type of Review: Extension of a currently approved collection.

Respondents: Individuals or households; business or other for-profit; not-for-profit institutions; state, local or tribal government.

Number of Respondents/Responses: 130,000 respondents; 130,000 responses.

Estimated Time per Response: 0.17 hours–0.44 hours.

Frequency of Response: On occasion reporting requirement; third party disclosure requirement, recordkeeping and other (5 and 10 years).

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in 47 CFR 1.913(a)(4).

Total Annual Burden: 57,218 hours.

Total Respondent Cost: \$2,676,700.

Privacy Act Impact Assessment: Yes.

Nature and Extent of Confidentiality:

In general, there is no need for confidentiality. The Commission is required to withhold from disclosure certain information about the individual such as date of birth or telephone number.

Needs and Uses: FCC Form 605 application is a consolidated application form for Ship, Aircraft, Amateur, Restricted and Commercial Radio Operators, and General Mobile Radio Services and is used to collect licensing data for the Universal Licensing System. The Commission is requesting OMB approval for an extension (no change in the reporting, recordkeeping and/or third-party disclosure requirements). The Commission is making minor clarifications to the instructions on the main form and schedule B as well as a clarification to Item 3 on the main form.

The data collected on this form includes the Date of Birth for Commercial Operator licensees however this information will be redacted from public view.

The FCC uses the information in FCC Form 605 to determine whether the applicant is legally, technically, and financially qualified to obtain a license. Without such information, the Commission cannot determine whether to issue the licenses to the applicants that provide telecommunication services to the public, and therefore, to fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended. Information provided on this form will also be used to update the database and to provide for proper use of the frequency spectrum as well as enforcement purposes.

OMB Approval Number: 3060–0896.

Title: Broadcast Auction Form Exhibits.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other-for profit entities, not-for-profit institutions, State, local or tribal government.

Number of Respondents and Responses: 2,000 respondents and 5,350 responses.

Estimated Hours per Response: 0.5 hours–2 hours.

Frequency of Response: On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in Sections 154(i) and 309 of the Communications Act of 1934, as amended.

Annual Hour Burden: 6,663 hours.

Annual Cost Burden: \$12,332,500.

Nature and Extent of Confidentiality:

There is no need for confidentiality with this collection of information.

Privacy Impact Assessment(s): No impact(s).

Needs and Uses: The Commission's rules require that broadcast auction participants submit exhibits disclosing ownership, bidding agreements, bidding credit eligibility and engineering data. These data are used by Commission staff to ensure that applicants are qualified to participate in Commission auctions and to ensure that license winners are entitled to receive the new entrant bidding credit, if applicable. Exhibits regarding joint bidding agreements are designed to prevent collusion. Submission of engineering exhibits for non-table services enables the Commission to determine which applications are mutually exclusive.

Federal Communications Commission.

Marlene Dortch,

Secretary, Office of the Secretary.
