Montrose County has submitted a statement in compliance with the regulations at 43 CFR 2741.4(b).

Montrose County proposes to use the land to develop the Shavano Gateway Recreation Area. The recreation area will provide parking spaces for vehicles and trailers, trailhead facilities such as restrooms and picnic tables, informational signage and an off-highway vehicle training area. This proposal aligns with Secretarial Order 3366's focus on increasing recreational opportunities on lands managed by the Department of the Interior.

The lands examined and identified as suitable for lease and subsequent conveyance under the R&PP Act are legally described as:

New Mexico Principal Meridian, Colorado

T. 48 N., R. 10 W.,

Sec. 8, SE^{1/4}NE^{1/4} and NE^{1/4}SE^{1/4}, that portion lying southeasterly of the southeasterly right-of-way line of Montrose County 90 Road and easterly of the easterly edge of Shavano Loop trail.

The area described contains 44 acres. The lands are not needed for any Federal purposes. Leasing or conveying these lands for recreational or public purposes is in public and national interest.

In conformance with the National Environmental Policy Act, the BLM prepared a parcel-specific Environmental Assessment (EA) document (DOI-BLM-CO-S050-2019-0019-EA) for this Notice of Realty Action. A copy of the EA is available online at <https://eplanning.blm.gov/shavano>. Based on the EA, the BLM approved a Finding of No Significant Impact and a Decision Record to implement the classification and conveyance of the lands described above on September 12, 2019.

The BLM completed the EA and issued the Decision Record under the 1989 BLM Uncompahgre Basin Resource Management Plan, as amended in September 1994. The EA, lease, and conveyance are in conformance with the recently approved April 2020 Uncompahgre Resource Management Plan.

All interested parties will receive a copy of this notice once it is published in the **Federal Register**. The **Federal Register** notice with information about this proposed realty action will be

published in the newspaper of local circulation once a week for three consecutive weeks. The regulations at 43 CFR subpart 2741 addressing requirements and procedures for conveyances under the R&PP Act do not require a public meeting.

Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriation under the public land laws, including the locations under the mining laws, except for lease or conveyance under the R&PP Act and leasing under the mineral leasing laws.

The lease or conveyance of the land, when issued, will be subject to the following terms, conditions, and reservations:

1. A right-of-way thereon for ditches and canals constructed by the authority of the Act of August 30, 1890, 26 Stat. 391 (43 U.S.C. 945), commonly referred to as the Canal Act.

2. Provisions of the R&PP Act and to all applicable regulations of the Secretary of the Interior.

3. All mineral deposits in the land so patented, the right to prospect for, mine, and remove such deposits from the same under applicable law and regulations as established by the Secretary of the Interior are reserved to the United States, together with all necessary access and exit rights.

4. Lease or conveyance of the parcel is subject to valid existing rights.

5. An appropriate indemnification clause protecting the United States from claims arising out of the lessee's/patentee's use, occupancy, or occupations on the leased/patented lands.

6. Any other reservations that the authorized officer determines appropriate to ensure public access and proper management of Federal lands and interests therein.

Classification Comments: Interested persons may submit comments involving the suitability of the land for development of the Shavano Gateway Recreation Area. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with state and Federal programs.

Application Comments: Interested persons may submit comments regarding the specific use proposed in the application and plan of development and management, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to
