**DEPARTMENT OF HEALTH AND HUMAN SERVICES****Centers for Disease Control and Prevention****Amendment and Extension of Order Under Sections 362 and 365 of the Public Health Service Act; Order Suspending Introduction of Certain Persons From Countries Where a Communicable Disease Exists**

**AGENCY:** Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** The Centers for Disease Control and Prevention (CDC), a component of the Department of Health and Human Services (HHS), announces the amendment of an Order issued on March 20, 2020 and extended on April 20, 2020 under Sections 362 and 365 of

the Public Health Service Act, and associated implementing regulations, that temporarily suspends the introduction of certain aliens based on the Director's determination that introduction of aliens, regardless of their country of origin, migrating through Canada and Mexico into the United States creates a serious danger of the introduction of COVID-19 into the United States, and the danger is so increased by the introduction of such aliens that a temporary suspension is necessary to protect the public health. This amendment and extension was issued on May 20, 2020 and shall remain in effect until the CDC Director determines that the danger of further introduction of COVID-19 into the United States from covered aliens has ceased to be a serious danger to the public health, and the Order is no longer necessary to protect the public health. CDC shall review the latest information regarding the status of the COVID-19 pandemic and associated public health risks every thirty days to ensure that the Order remains necessary to protect the public health.

**DATES:** This action is effective 12:00 a.m. EDT May 21, 2020.

**SUPPLEMENTARY INFORMATION:****March 20, 2020 Order**

On March 20, 2020, the Director of the Centers for Disease Control and Prevention issued an Order temporarily suspending the introduction of certain aliens from Canada and Mexico, including certain aliens who migrate to the United States across the land borders with Canada and Mexico, because the introduction of such aliens creates a serious danger of the introduction of such disease into the United States, and the danger is so increased by the introduction of such aliens that a temporary suspension is necessary to protect the public health (85 FR 17060). The Order suspended the introduction of certain persons into the United States for a period of 30 days.

**April 20, 2020 Order**

On April 20, 2020, the Director of CDC extended the March 20, 2020 Order until 11:59 p.m. EDT on May 20, 2020 (85 FR 22424). The April 20, 2020 extension found that the determinations of the March 20, 2020 Order remain correct, and further determined that the
