for months that the related individual is enrolled in the coverage.

(e) Applicability dates. * * * *(4) Paragraph (c)(4)(i) of this section applies to taxable years ending after the date the Treasury decision adopting these regulations as final regulations is published in the Federal Register.

Par. 6. Section 1.6011–8 is amended by revising paragraphs (a) and (b) to read as follows:

§ 1.6011–8 Requirement of income tax return for taxpayers who claim the premium tax credit under section 36B.

(a) Requirement of return. Except as otherwise provided in this paragraph (a), a taxpayer who receives the benefit of advance payments of the premium tax credit (advance credit payments) under section 36B must file an income tax return for that taxable year on or before the due date for the return (including extensions of time for filing) and reconcile the advance credit payments. However, if advance credit payments were made for coverage of an individual who is not included in any taxpayer’s family, as defined in §1.36B–1(d), the taxpayer who attested to the Exchange the intention to include such individual in the taxpayer’s family as part of the advance credit payment eligibility determination for coverage of the individual must file a tax return and reconcile the advance credit payments.

(b) Applicability dates—(1) In general. Except as provided in paragraph (b)(2) of this section, paragraph (a) of this section applies for taxable years ending on or after December 31, 2020.

(2) Prior periods. Paragraph (a) of this section as contained in 26 CFR part 1 edition revised as of April 1, 2016, applies to taxable years ending after December 31, 2013, and beginning before January 1, 2017. Paragraph (a) of this section as contained in 26 CFR part 1 edition revised as of April 1, 2020, applies to taxable years beginning after December 31, 2016, and ending before December 31, 2020.

SUPPLEMENTARY INFORMATION: Background

This document sets forth a proposed amendment to the Employment Tax Regulations (26 CFR parts 31 and 35) under section 3405 of the Internal Revenue Code (Code). This proposed regulation would update certain provisions of §35.3405–2T to conform to the change to section 3405(a)(4) made by section 11041(c)(2)(G) of the Tax Cuts and Jobs Act, Public Law 115–97,
§ 31.3405(e)–1 was published in the Federal Register (84 FR 25209) to propose rules applicable to periodic payments and nonperiodic distributions (other than eligible rollover distributions) that are to be delivered outside the United States and its possessions.

2. Definition of Periodic Payment

While the guidance described in Section 1 of this Background relates to all types of payments and distributions subject to withholding under section 3405, this proposed regulation addresses only the change made by section 11041(c)(2)(G) of TCJA to section 3405(a)(4), and therefore applies only to certain periodic payments.

A periodic payment is defined in section 3405(e)(2) as “a designated distribution which is an annuity or similar periodic payment.” Subject to certain exceptions, a designated distribution generally is defined in section 3405(e)(1)(A) as any distribution or payment from or under an employer deferred compensation plan, an individual retirement plan (as defined in section 3405(e)(1)(A) as any distribution or payment from or under an employer deferred compensation plan, an individual retirement plan (as defined in section 7701(a)(37)), or a commercial annuity. For this purpose, an employer deferred compensation plan is defined in section 3405(e)(5) as any pension, annuity, profit-sharing, or stock bonus plan or other plan deferring the receipt of compensation, and a commercial annuity is defined in section 3405(e)(6) as an annuity, endowment, or life insurance contract issued by an insurance company licensed to do business under the laws of any State. Section 35.3405–1T, Q&A a–9, provides that a periodic payment includes an annuity or similar periodic payment, whether paid by a licensed life insurance company, a financial institution, or a plan, and that an “annuity” is a series of payments payable over a period greater than one year and taxable under section 72 as amounts received as an annuity, whether or not the payments are variable in amount.

Following enactment of TCJA, the Treasury Department and the IRS issued guidance addressing the change to section 3405(a)(4), Section V of Notice 2018–14, 2018–7 I.R.B. 353, and section 10 of Notice 2018–92, 2018–51 I.R.B. 1038, provided that, for 2018 and 2019, respectively, the rules for withholding with respect to periodic payments under section 3405(a) would...
parallel the rules for prior years and would be based on treating the payee as a married individual claiming three withholding allowances. Similarly, section IV of Notice 2020–3, 2020–3 I.R.B. 330, provides that, for 2020, the default rate of withholding from periodic payments under section 3405(a) is based on treating the payee as a married individual claiming three withholding allowances and applying that status when referring to the applicable withholding tables and related computational procedures in the 2020 Publication 15–T, “Federal Income Tax Withholding Methods.”

Explanation of Provisions

1. Default Rate of Withholding on Periodic Payments

As indicated in the Background section of the preamble, certain provisions of § 35.3405–1T reflect the rule under section 3405(a)(4) prior to amendment by TCJA. Specifically, Q&As a–10, b–3, and b–4 of § 35.3405–1T each provide that the default rate of withholding on periodic payments is determined by treating the payee as married and claiming three withholding allowances. The proposed regulation would remove these three Q&As from § 35.3405–1T because they prescribe the substantive default rate of withholding rule under section 3405(a)(4) prior to amendment by TCJA. The proposed regulation would not remove other Q&As in § 35.3405–1T that reference the pre-TCJA rule under section 3405(a)(4) but do not require payors to withhold based upon that pre-TCJA rule [for example, the sample notice in § 35.3405–1T, Q&A d–2].

The proposed regulation would update and replace the provisions of Q&As a–10, b–3, and b–4 in new § 31.3405(a)–1, which provides that the default rate of withholding on periodic payments is determined in the manner described in the applicable forms, instructions, publications, and other guidance prescribed by the Commissioner.

This proposed § 31.3405(a)–1 provides a flexible and administrable rule that leaves the communication and mechanical details of the default rate of withholding on periodic payments to be provided in applicable forms, instructions, publications, and other guidance. These materials can be updated quickly as needed (for legislative changes or other reasons) to provide payors and plan administrators processing payments adequate time to program their systems to withhold the proper amount of income tax. Currently, withholding on periodic payments, including the default rate of withholding, is explained in the instructions to the 2020 Form W–4P, “Withholding Certificate for Pension or Annuity Payments,” the 2020 Publication 15–T, and related publications. The 2020 Publication 15–T also provides the tables that payors use to calculate withholding on periodic payments (and the tables that employers use to calculate withholding on taxable wages).

Proposed § 31.3405(a)–1 would also generally update Q&As a–10, b–3, and b–4 of § 35.3405–1T to reflect relevant statutory changes and provide clarifications. Notably, in accordance with section 3405(a)(3), proposed § 31.3405(a)–1 would update the rules for determining the effective date of a payee’s Form W–4P by referencing the rules under section 3402(f)(3) and the applicable forms, instructions, publications, and other guidance prescribed by the Commissioner.

Section 3402(f)(3) provides different withholding certificate effective date rules for cases in which there is no previous withholding certificate in effect and cases in which a previous withholding certificate is in effect. Form W–4P effective date information is provided in the 2019 Publication 505, “Tax Withholding and Estimated Tax.”

2. Other Provisions of § 35.3405–1T

Proposed § 31.3405(a)–1 refers taxpayers to § 35.3405–1T, among other regulations under section 3405, for additional guidance regarding Federal income tax withholding on periodic payments, and is intended to be read in conjunction with those other regulations. For example, proposed § 31.3405(a)–1(b) provides general guidance regarding Federal income tax withholding on periodic payments, but an election of no withholding under section 3405(a)(2) may be available as described in § 35.3405–1T, Q&A d–1.

While this proposed regulation would update certain Q&As in § 35.3405–1T, it would not update all of the Q&As, including several Q&As that do not reflect legislative changes that became effective after the publication of § 35.3405–1T. For example, the description in § 35.3405–1T, Q&A d–1, of an election of no withholding has not been updated to reflect that an election may not be available due to the restrictions set forth in section 405(e)(12) (failure to provide correct TIN) or 405(e)(13) (certain payments to be delivered outside of the United States and its possessions). The current priority of the Treasury Department and the IRS is to address the provisions of § 35.3405–1T that were impacted by TCJA. In the future, the Treasury Department and the IRS intend to update the provisions of § 35.3405–1T to reflect all statutory changes since the initial promulgation of the temporary regulation.

Proposed Applicability Date

This regulation is proposed to apply to periodic payments made after December 31, 2020. Notwithstanding § 35.3405–1T, taxpayers may rely on the rules set forth in this notice of proposed rulemaking, in their entirety, until the date of publication of a Treasury Decision adopting this proposed rule as a final regulation.

Special Analyses

1. Regulatory Planning and Review

This regulation is not subject to review under section 6(b) of Executive Order 12866 pursuant to the Memorandum of Agreement (April 11, 2018) between the Treasury Department and the Office of Management and Budget regarding review of tax regulations.

2. Paperwork Reduction Act

Any collection of information associated with this notice of proposed...
rulemaking has been submitted to the Office of Management and Budget for review under OMB control number 1545–0074 in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507(d)). In general, the collection of information is required under section 3405 of the Code. The Treasury Department and the IRS request comments on all aspects of information collection burdens related to this proposed regulation, including estimates for how much time it would take to comply with the paperwork burdens described in OMB control number 1545–0074 and ways for the IRS to minimize the paperwork burden. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a valid OMB control number.

3. Regulatory Flexibility Act

Under the Regulatory Flexibility Act (RFA) (5 U.S.C. chapter 6), it is hereby certified that this proposed regulation, if adopted, would not have a significant economic impact on a substantial number of small entities that are directly affected by the proposed regulation. The proposed regulation will apply to all payors of periodic payments, including small entities, and is likely to affect a substantial number of small entities. The economic impact, however, will not be significant. The primary change is to effect a TCJA legislative amendment to remove the reference in section 3405(a)(4) to a married individual claiming three exemptions as the default withholding rate and to provide, in its place, that the amount to be withheld is determined in the applicable forms, instructions, publications, and other guidance prescribed by the Commissioner. Accordingly, this rule would conform to the current regulation to the statute and regulations prescribed by the Commissioner. The rules for withholding when the payee has not furnished a withholding certificate, the amount to be withheld is determined in the manner described in the applicable forms, instructions, publications, and other guidance prescribed by the Commissioner. The rules for withholding when the payee has not furnished a withholding certificate apply regardless of whether the payor is aware of the payee’s actual marital status or actual Federal income tax filing status.

Drafting Information

The principal author of these proposed regulations is Kara M. Soderstrom, Office of Associate Chief Counsel (Employee Benefits, Exempt Organizations, and Employment Taxes). However, other personnel from the Treasury Department and the IRS participated in the development of these proposed regulations.

Proposed Amendments to the Regulations

Accordingly, 26 CFR parts 31 and 35 are proposed to be amended as follows:

PART 31—EMPLOYMENT TAXES AND COLLECTION OF INCOME TAX AT SOURCE

Par 1. The authority citation for part 31 is amended by adding an entry for §31.3405(a)–1 in numerical order to read in part as follows:

* * * * *

Section 31.3405(a)–1 also issued under 26 U.S.C. 3405(a)(4).

* * * * *

Par. 2. Section 31.3405(a)–1 is added to read as follows:

§31.3405(a)–1 Questions and answers relating to Federal income tax withholding on periodic retirement and annuity payments.

(a) The following questions and answers relate to Federal income tax withholding on periodic payments under section 3405(a), as amended by section 11041(c)(2)(G) of the Tax Cuts and Jobs Act (Pub. L. 115–97, 131 Stat. 2054 (2017)). The withholding rules of section 3405(a) do not apply to periodic payments that are eligible rollover distributions (as defined in section 402(f)(2)(A)). See generally section 3405(c) and §31.3405(c)–1 for Federal income tax withholding rules applicable to eligible rollover distributions. See section 3405(e)(13) for additional rules applicable to certain periodic payments under section 3405(a) and nonperiodic distributions under section 3405(b) that are to be delivered outside the United States and its possessions. For additional guidance regarding periodic payments, see §§35.3405–1 and 35.3405–1T of this chapter.

(b)(1) Q–1: How will Federal income tax be withheld from a periodic payment?

(2) A–1: In the case of a periodic payment that is subject to withholding under section 3405(a), amounts are withheld as if the payment were a payment of wages by an employer to the employee for the appropriate payroll period. If the payee has not furnished a withholding certificate, the amount to be withheld is determined in the manner described in the applicable forms, instructions, publications, and other guidance prescribed by the Commissioner. The rules for withholding when the payee has not furnished a withholding certificate apply regardless of whether the payor is aware of the payee’s actual marital status or actual Federal income tax filing status.

(c)(1) Q–2: Do rules similar to those for wage withholding apply to the furnishing of a withholding certificate for periodic payments?

(2) A–2: Yes. Unless the rules of section 3405 specifically conflict with the rules of section 3402, the rules for withholding on periodic payments that are not eligible rollover distributions will parallel the rules for wage
withholding. Thus, if a withholding certificate is furnished by a payee, it will generally take effect in accordance with section 3402(f)(3) and as provided in applicable forms, instructions, publications, and other guidance prescribed by the Commissioner. If no withholding certificate is furnished, the amount withheld must be determined in the manner described in the applicable forms, instructions, publications, and other guidance prescribed by the Commissioner for withholding on periodic payments when no withholding certificate is furnished.

(d)(1) Q–3: What is the applicability date of this section?

(2) A–3: This section applies with respect to periodic payments made after December 31, 2020.

PART 35—EMPLOYMENT TAX AND COLLECTION OF INCOME TAX AT SOURCE REGULATIONS UNDER THE TAX EQUITY AND FISCAL RESPONSIBILITY ACT OF 1982

Par. 3. The authority citation for part 35 continues to read in part as follows:

Authority: 26 U.S.C. 6047(e), 7805; 68A Stat. 917; 96 Stat. 625; Public Law 97–248 (96 Stat. 623) * * *

§ 35.3405–1T [Amended]

Par. 4. Section 35.3405–1T is amended by removing and reserving Q&A a–10, Q&A b–3, and Q&A b–4.

Proposed Establishment of The Burn of Columbia Valley Viticultural Area

AGENCY: Alcohol and Tobacco Tax and Trade Bureau, Treasury.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Alcohol and Tobacco Tax and Trade Bureau (TTB) proposes to establish the 16,870-acre “The Burn of Columbia Valley” viticultural area in Klickitat County, Washington. The proposed AVA is located entirely within the existing Columbia Valley AVA. TTB designates viticultural areas to allow vintners to better describe the origin of their wines and to allow consumers to better identify wines they may purchase. TTB invites comments on this proposed addition to its regulations.

DATES: TTB must receive your comments on or before July 27, 2020.

ADDRESSES: You may electronically submit comments to TTB on this proposal, and view copies of this document, its supporting materials, and any comments TTB receives on it within Docket No. TTB–2020–0005 as posted on Regulations.gov (https://www.regulations.gov), the Federal e-rulemaking portal. SUPPLEMENTARY INFORMATION:

Background on Viticultural Areas

TTB Authority

Section 105(e) of the Federal Alcohol Administration Act (FAA Act), 27 U.S.C. 205(e), authorizes the Secretary of the Treasury to prescribe regulations for the labeling of wine, distilled spirits, and malt beverages. The FAA Act provides that these regulations should, among other things, prohibit consumer deception and the use of misleading statements on labels, and ensure that labels provide the consumer with adequate information as to the identity and quality of the product. The Alcohol and Tobacco Tax and Trade Bureau (TTB) administers the FAA Act pursuant to section 1111(d) of the Homeland Security Act of 2002, codified at 6 U.S.C. 531(d). The Secretary has delegated the functions and duties in the administration and enforcement of these provisions to the TTB Administrator through Treasury Order 120–01, dated December 10, 2013 ( superseding Treasury Order 120–01, dated January 24, 2003).

Part 4 of the TTB regulations (27 CFR part 4) authorizes TTB to establish definitive viticultural areas and regulate the use of their names as appellations of origin on wine labels and in wine advertisements. Part 9 of the TTB regulations (27 CFR part 9) sets forth standards for the preparation and submission of petitions for the establishment or modification of American viticultural areas (AVAs) and lists the approved AVAs.

Definition

Section 4.25(e)(1)(i) of the TTB regulations (27 CFR 4.25(e)(1)(i)) defines a viticultural area for American wine as a delimited grape-growing region having distinguishing features, as described in part 9 of the regulations, and a name and a delineated boundary, as established in part 9 of the regulations. These designations allow vintners and consumers to attribute a given quality, reputation, or other characteristic of a wine made from grapes grown in an area to the wine’s geographic origin. The establishment of AVAs allows vintners to describe more accurately the origin of their wines to consumers and helps consumers to identify wines they may purchase. Establishment of an AVA is neither an approval nor an endorsement by TTB of the wine produced in that area.

Requirements

Section 4.25(e)(2) of the TTB regulations (27 CFR 4.25(e)(2)) outlines the procedure for proposing an AVA and provides that any interested party may petition TTB to establish a grape-growing region as an AVA. Section 9.12 of the TTB regulations (27 CFR 9.12) prescribes standards for petitions for the establishment or modification of AVAs. Petitions to establish an AVA must include the following:

• Evidence that the area within the proposed AVA boundary is nationally or locally known by the AVA name specified in the petition;

• An explanation of the basis for defining the boundary of the proposed AVA;

• A narrative description of the features of the proposed AVA that affect viticulture, such as climate, geology, soils, physical features, and elevation, that make the proposed AVA distinctive and distinguish it from adjacent areas outside the proposed AVA boundary;

• The appropriate United States Geological Survey (USGS) map(s) showing the location of the proposed AVA, with the boundary of the proposed AVA clearly drawn thereon;

• If the proposed AVA is to be established within, or overlapping, an existing AVA, an explanation that both identifies the attributes of the proposed AVA that are consistent with the existing AVA and explains how the proposed AVA is sufficiently distinct from the existing AVA and therefore
