Title of Collection: CARES Act, Recipient's Funding Certification and Agreement (Student Aid).

OMB Control Number: 1801-0005.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 5,705.

Total Estimated Number of Annual Burden Hours: 5,705.

Abstract: Section 18004(a)(1) of the CARES Act, Public Law 116-136 (March 27, 2020), authorizes the Secretary of Education to allocate formula grant funds to participating institutions of higher education (IHEs). Section 18004(c) of the CARES Act requires the IHEs to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care). This information collection request includes the certification and agreement that must be submitted by an IHE in order to request student aid funds allocated under the CARES Act and outlines associated reporting requirements.

This information collection request was previously approved as an emergency clearance in order to comply with the requirements of the CARES Act and expedite the release of funds to IHEs and students with pressing financial needs due to the pandemic. The Department of Education is now requesting an extension of that emergency clearance under normal clearance procedures.
