(the petitioners), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), to conduct an administrative review of the *Order* for three companies.³ On April 8, 2020, Commerce published in the **Federal Register** a notice of initiation with respect to three companies: E N Corporation, Enlin Steel Corporation, and Vinoc Corporation (a/k/a Vinoc Corporation).⁴ On May 5, 2020, the petitioners timely withdrew their request for an administrative review for all three companies.⁵

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these results until December 21, 2020.⁶

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties which requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. All parties which requested an administrative review withdrew their requests for review for all companies by the 90-day deadline, and no other party requested an administrative review of this order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from the Philippines covering the period February 1, 2019, through January 31, 2020, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
