Halibut incidental catch amounts are constrained by an annual prohibited species catch (PSC) limits in the BSAI and GOA. Future halibut incidental catch levels likely will be similar to those experienced from 2017 through 2019.

Chinook salmon PSC limits are established for the Bering Sea and central and western GOA pollock fisheries that, when attained, result in the closure of pollock fishing. The Chinook salmon PSC limits for the Bering Sea pollock fisheries were originally established by Amendment 91 to the BSAI FMP (75 FR 53026, August 30, 2010) and established for the central and western GOA pollock fisheries by Amendment 93 to the GOA FMP (77 FR 42629, July 20, 2012). In 2016, Amendment 110 to the BSAI FMP was implemented to improve the management of Chinook and chum salmon bycatch in the Bering Sea pollock fishery by creating a comprehensive salmon bycatch avoidance program (81 FR 37534, June 10, 2016). In 2015, Amendment 97 to the GOA FMP established annual Chinook salmon PSC limits for the groundfish trawl fisheries, except for pollock trawl fisheries, in the Western and Central GOA (79 FR 71350, December 2, 2014). While salmon incidental catch amounts tend to vary between years, making it difficult to accurately predict future incidental take amounts, the total, or maximum, amount of annual Chinook salmon incidental catch in the Bering Sea and GOA pollock fisheries is constrained by the PSC limits.

4. *The number of vessels and processors participating in the PSD program.* For the 2020 permit renewal, there will be 12 shoreside processors, and vessels delivering to shoreside processors will decrease slightly from 137 to 136. Catcher/processors participating in the PSD program for

salmon will decrease slightly from 35 to 34 under the 2020 permit renewal.

Catcher vessels delivering to motherships will remain at 15 vessels.

NMFS issues PSD permits to SeaShare for a 3-year period unless the permits are suspended or revoked under § 679.26. The permits may not be transferred; however, they may be renewed following the application procedures in § 679.26.

If the authorized distributor modifies the list of participants in the PSD program or delivery locations, the authorized distributor must submit a modified list of participants or a modified list of delivery locations to the Regional Administrator.

These permits may be suspended, modified, or revoked under 15 CFR part 904 for violation of § 679.26 or other regulations in 50 CFR part 679.

[Docket ID DoD–2020–OS–0056]

Privacy Act of 1974; System of Records

AGENCY: Office of the Under Secretary of Defense (Comptroller) (OUSD(C)), Department of Defense (DoD).

ACTION: Notice of a new System of Records.

SUMMARY: The Office of the Secretary of Defense (OSD) is adding a new System

of Records entitled, "Financial Management Online (FM Online), DUSDC 03." The DoD is required to strengthen the professional development of the DoD financial management workforce and to ensure DoD financial managers are properly trained to meet current and future Warfighter support requirements. The Defense Financial Management Certification Program (DFMCP) is the approved strategy to meet this requirement.

DATES: This new System of Records is effective upon publication; however, comments on the Routine Uses will be accepted on or before July 2, 2020. The Routine Uses are effective at the close of the comment period.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal Rulemaking Portal:* <https://www.regulations.gov>.

Follow the instructions for submitting comments.

- *Mail:* DoD cannot receive written comments at this time due to the COVID-19 pandemic. Comments should be sent electronically to the docket listed above.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mrs. Luz D. Ortiz, Chief, Records, Privacy and Declassification Division (RPDD), 1155 Defense Pentagon, Washington, DC 20311-1155, or by phone at (571) 372-0478.

SUPPLEMENTARY INFORMATION: The DFMCP implements DoD Instruction (DoDI) 1300.26, Operation of the DoD Financial Management Certification Program (DFMCP) and meets the business requirement to comply with 10 U.S.C. 1599d, Financial Management Positions: Authority to Prescribe Professional Certification and Credential Standards, as a condition of employment, authorizing the Secretary of Defense to establish a certification program for the 57,000 Financial Management (FM) workforce in order to improve audit readiness and analytic capability. The DFMCP is the approved strategy to meet this requirement and supports the DoDI 1400.25, Volume 250,

DoD Civilian Personnel Management System: Civilian Strategic Human Capital Planning (SHCP).

FM Online, originally launched in 2011, is an online professional development portal for the DoD FM Workforce. The future state will enhance FM Online by adding a DoD FM Certification Tracking and Reporting module, thus creating a requirement to house Personally Identifiable Information (PII).

FM Online is sponsored by the OUSD(C). FM Online will support the DoD in administering a variety of professional development programs and tools to support the DoD Financial Management workforce. It will enable the OUSD(C) to identify skill and competency gaps and strengths and provide training and development tools to prepare the workforce to meet current and future requirements to support the mission. FM Online will support the mandatory three level professional certification program applicable to 57,000 members of the FM Workforce. Members must achieve the appropriate certification level for their positions within two years of notification of applicable certification requirements (or the period of any extension). Also, members must sustain their FM certification by the end of each two-year cycle by accomplishing Continuing Education and Training (CET) requirements.

The OSD notices for Systems of Records subject to the Privacy Act of 1974, as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or on the Defense Privacy, Civil Liberties, and Transparency Division website at <https://dpcl.d.defense.gov>.

The proposed system reports, as required by the Privacy Act, as amended, were submitted on April 13, 2020, to the House Committee on Oversight and Reform, the Senate Committee on Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to Section 6 of OMB Circular No. A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," revised December 23, 2016 (December 23, 2016, 81 FR 94424).
