Non-emergency issues not contained in this agenda may come before the Council for discussion and formal Council action during its 182nd meeting. However, Council action on regulatory issues will be restricted to those issues specifically listed in this document and any regulatory issue

arising after publication of this document that requires emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take action to address the emergency.

Special Accommodations

These meetings are accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Kitty M. Simonds, (808) 522-8220 (voice) or (808) 522-8226 (fax), at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: June 1, 2020.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Atlantic Coastal Fisheries Cooperative Management Act Provisions; Atlantic Menhaden Fishery

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of withdrawal of federal moratorium.

SUMMARY: NMFS announces the withdrawal of the Federal moratorium on fishing for Atlantic menhaden in the waters of the Commonwealth of Virginia. NMFS withdraws the moratorium, as required by the Atlantic Coastal Fisheries Cooperative Management Act (Atlantic Coastal Act), based on its determination that Virginia is now in compliance with the Atlantic States Marine Fisheries Commission's (Commission) Interstate Fishery Management Plan for Atlantic Menhaden.

DATES: June 4, 2020.

ADDRESSES: Jennifer Wallace, Acting Director, Office of Sustainable Fisheries, NMFS, 1315 East-West Highway, Room 13362, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Derek Orner, Fishery Management Specialist, NMFS Office of Sustainable Fisheries, (301) 427-8567; derek.ornier@noaa.gov.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2019, the Commission found that the Commonwealth of Virginia is out of compliance with the Commission's Interstate Fishery Management Plan (Plan) for Atlantic menhaden. Specifically, the Commission required Virginia to implement a total allowable harvest from the Chesapeake Bay Reduction Fishery that would not exceed 51,000 metric tons (mt). Amendment 3 was approved in the fall 2017, and was to be fully implemented by the Commonwealth of Virginia for the 2018 fishing season. Virginia, however, did not implement the Commission's recommended 51,000 mt cap and instead maintained its pre-existing 87,216 mt cap. At the time, Atlantic menhaden in Virginia were managed by the legislature and not the Virginia Marine Resources Commission, which manages all other Virginia fishery species. The Virginia delegation to the Commission agreed it was out of compliance and voted for a non-compliance finding at the Commission's Atlantic Menhaden and Policy Boards as well as the Commission's Business Section. The Commission forwarded its findings of their October 31, 2019 vote in a formal non-compliance referral letter that was received by NMFS on November 18, 2019. On December 17, 2019, NMFS notified the Commonwealth of Virginia and the Commission of its determination that Virginia failed to carry out its responsibilities under the Commission's Atlantic Menhaden Plan and that the measures Virginia had failed to implement and enforce are necessary for the conservation of the menhaden resource. In this determination and notification, NMFS detailed the actions necessary to avoid the implementation of a Federal moratorium for menhaden in Virginia waters. Details of this determination were provided in a **Federal Register** notice published on December 27, 2019 (84 FR 71329), and are not repeated here.

Activities Pursuant to the Atlantic Coastal Act

The Atlantic Coastal Act specifies that, if, after a moratorium is declared with respect to a State, the Secretary is notified by the Commission that it is withdrawing the determination of noncompliance, the Secretary shall immediately determine whether the State is in compliance with the applicable Plan. If the Secretary determines that the State is in compliance, then the moratorium shall be withdrawn. On May 12, 2020, NMFS

received a letter from the Commission that Virginia had taken corrective action to comply with the Atlantic Menhaden Plan, and that the Commission has withdrawn its determination of non-compliance.

Withdrawal of the Moratorium

Based on the Commission's May 12, 2020, letter, as well as information received from the Commonwealth of Virginia, and NMFS' review of Virginia's revised Atlantic menhaden regulations, NMFS concurs with the Commission's determination that Virginia is now in compliance with the Atlantic Menhaden Plan. Specifically, NMFS reviewed the Commission's Menhaden Plan and Virginia's recently approved management measures. The management measures implement a program that is consistent with the Atlantic menhaden management program set by the Commission to conserve menhaden in Chesapeake Bay and achieve the objectives specified in the Plan. Therefore, we concur with the Commission's finding that Virginia is now in compliance and that the moratorium on fishing for, possession of, and landing of Atlantic menhaden by the recreational and commercial fishermen within Virginia waters is no longer necessary to conserve the fishery. The moratorium, which was scheduled for June 17, 2020, is withdrawn.

Authority: 16 U.S.C. 5101 *et seq.*

Dated: June 1, 2020.

Jennifer M. Wallace,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

National Oceanic and Atmospheric Administration

Meeting of the Advisory Committee on Commercial Remote Sensing

ACTION: Notice of meeting.

SUMMARY: The Advisory Committee on Commercial Remote Sensing ("ACCRES" or "the Committee") will meet for three half-day meetings from June 23–June 25, 2020.

DATES: The meeting is scheduled as follows: June 23–June 25, 2020 from 10:00 a.m.–1:30 p.m. Eastern Daylight Time (EDT) each day.

ADDRESSES: The meeting will be held virtually via Cisco WebEx.

FOR FURTHER INFORMATION CONTACT: Tashaun Pierre, NOAA/NESDIS/

CRSRA, 1335 East West Highway, G-101, Silver Spring, Maryland 20910; (301) 713-7047 or CRSRA@noaa.gov.

SUPPLEMENTARY INFORMATION: As required by Section 10(a)(2) of the Federal Advisory Committee Act, 5 U.S.C. App. (FACA) and its implementing regulations, *see* 41 CFR 102-3.150, notice is hereby given of the meeting of ACCRES. ACCRES was established by the Secretary of Commerce (Secretary) on May 21, 2002, to advise the Secretary through the Under Secretary of Commerce for Oceans and Atmosphere on matters relating to the U.S. commercial remote sensing space industry and on the National Oceanic and Atmospheric Administration's activities to carry out the responsibilities of the Department of Commerce set forth in the National and Commercial Space Programs Act of 2010 (51 U.S.C. 60101 *et seq.*).

Purpose of the Meeting and Matters To Be Considered

The meeting will be open to the public pursuant to Section 10(a)(1) of the FACA. During the meeting, the Committee will hear a report out of the Synthetic Aperture Radar (SAR) Task Group and discuss the newly released Final Rule on Licensing of Private Remote Sensing Space Systems.

Additional Information and Public Comments

The meeting will be held over three half-days and will be conducted via Cisco WebEx. The agenda, speakers and times are subject to change. For updates, please check online at <https://www.nesdis.noaa.gov/CRSRA/accresMeetings.html>. You may also sign up to receive meeting emails at: <https://forms.gle/sfvLt8Rfj7e8C2WNA> or by directly emailing.

Public comments are encouraged. Individuals or groups who would like to submit advance written comments, please email them to Tahara.Dawkins@noaa.gov, and CRSRA@noaa.gov.

Stephen M. Volz,

Assistant Administrator for Satellite and Information Services.

DEPARTMENT OF EDUCATION

[Docket No.: ED-2020-SCC-0083]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Education Innovation and Research (EIR) Application Package

AGENCY: Office of Innovation and Improvement (OII), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, ED is proposing a reinstatement of a previously approved information collection.

DATES: Interested persons are invited to submit comments on or before July 6, 2020.

ADDRESSES: Written comments and recommendations for proposed information collection requests should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection request by selecting "Department of Education" under "Currently Under Review," then check "Only Show ICR for Public Comment" checkbox.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Ashley Brizzo, 202-453-6987.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how
