## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88986; File No. SR-MSRB-2020-03]

### Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Waive MSRB Market Activity Fees Related to Transactions With the Municipal Liquidity Facility Established by the Board of Governors of the Federal Reserve System

June 1, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”) <sup>1</sup> and Rule 19b-4 thereunder, <sup>2</sup> notice is hereby given that on May 28, 2020 the Municipal Securities Rulemaking Board (“MSRB”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The MSRB filed with the Commission a proposed rule change consisting of a proposed amendment to MSRB Rule A-13 regarding underwriting and transaction assessments for brokers, dealers and municipal securities dealers (collectively “dealers”) to waive certain underwriting, transaction and technology assessments (“market activity fees”) related to transactions with the Municipal Liquidity Facility (“Facility” or “MLF”) established by the Board of Governors of the Federal Reserve System (“Federal Reserve”) (the “proposed rule change”) as described below. The MSRB has designated the proposed rule change as “establishing or changing a due, fee, or other charge” under Section 19(b)(3)(A)(ii) of the Act <sup>3</sup> and Rule 19b-4(f)(2) <sup>4</sup> thereunder,

which renders the proposal effective upon filing with the Commission.

The text of the proposed rule change is available on the MSRB’s website at [www.msrb.org/Rules-and-Interpretations/SEC-Filings/2020-Filings.aspx](http://www.msrb.org/Rules-and-Interpretations/SEC-Filings/2020-Filings.aspx), at the MSRB’s principal office, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The MSRB is closely monitoring the impact of the coronavirus disease (“COVID-19”) pandemic on the municipal market and municipal market participants, including issuers, investors, dealers and municipal advisors. <sup>5</sup> The Federal Reserve, noting that “[t]he municipal securities market is an important part of the financial system, which helps provide states, cities, and counties (and their political subdivisions and other governmental entities) with the funding needed to provide essential public services to their citizens,” <sup>6</sup> established the MLF, which has been authorized under Section 13(3) of the Federal Reserve Act. <sup>7</sup> “The immediate purpose of the MLF is to enhance the liquidity of the primary short-term municipal securities market through the purchase at issuance of Tax Anticipation Notes (“TANs”), Tax and Revenue Anticipation Notes (“TRANs”), Bond Anticipation Notes (“BANs”), and similar short-term notes” (collectively, “Eligible Notes”). <sup>8</sup>

<sup>6</sup> Federal Reserve Bank of New York, FAQs: Municipal Liquidity Facility (“Fed FAQs”) <https://www.newyorkfed.org/markets/municipal-liquidity-facility/municipal-liquidity-facility-faq>.

<sup>7</sup> 12 U.S.C. 343 (1932).

<sup>8</sup> Fed FAQs.

The MSRB continues to monitor announcements by the Federal Reserve to understand how the Facility will operate in conjunction with MSRB rules. <sup>9</sup> The Facility intends to provide a liquidity backstop to certain issuers through a special purpose vehicle (“SPV”). The SPV may purchase certain Eligible Notes through a direct sale to the SPV or, if there is a competitive sale process, the SPV generally will not submit a bid in the competitive sale process, but instead may agree to purchase such municipal securities that are not awarded to other bidders. <sup>10</sup>

Based on the information currently available regarding the operation of the MLF, the MSRB believes that the MLF would be a customer for purposes of Rule A-13 and, therefore, the underwriting, transaction and technology assessments under Rule A-13 would be applicable to dealers’ transactions with the MLF. The MSRB recognizes that dealers are experiencing operational challenges coupled with unprecedented conditions in the municipal market due to the COVID-19 pandemic. <sup>11</sup> The MSRB is proposing to waive these market activity fees for transactions conducted with the MLF. Specifically, the MSRB is proposing to provide a temporary waiver to dealers for the assessment of the:

- Underwriting fee in the amount .00275% (\$.0275 per \$1,000) of the par value pursuant to Rule A-13(c)(i) on the par amount of the primary offering that is purchased by or on behalf of the MLF;
- Transaction fee on sales to the MLF in the amount equal to .001% (\$.01 per \$1,000) of the total par value of sales to customers that it reports to the Board under MSRB Rule G-14(b), on reports of sales and purchases, pursuant to Rule A-13(d)(ii); and
- Technology fee of \$1.00 per transaction for sales to the MLF that it reports to the Board under Rule G-14(b), pursuant to Rule A-13(d)(iv)(b).

The MSRB intends the waiver to be temporary and to expire at the same time as the MLF. The MLF is currently scheduled to cease purchasing Eligible Notes on December 31, 2020, unless the Federal Reserve Board of Governors and the Treasury Department extend the program. <sup>12</sup> The MSRB will waive the market activity fees assessed on

transactions with the MLF by issuing a credit for the amount of the applicable assessment. The amount of the fees to be waived will be displayed on a monthly statement as a credit against the gross billing and netted to indicate the amount due. Consistent with Rule A–13(e), the amount due is to be paid within 30 days of the sending of the invoice by the Board.

## 2. Statutory Basis

The MSRB believes that the proposed rule change is consistent with Section 15B(b)(2)(C) of the Act,<sup>13</sup> which provides that the MSRB's rules shall:

be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products, and, in general, to protect investors, municipal entities, obligated persons, and the public interest.

The MSRB believes that dealers' transactions with the MLF will serve to facilitate the smooth functioning of the municipal securities market during times of strain resulting from the COVID–19 pandemic. Providing a waiver of market activity fees resulting from such transactions will help to provide liquidity for the municipal market and serve to remove impediments to and perfect the mechanism of a free and open market in municipal securities without impacting the protection of investors, municipal entities, obligated persons, and the public interest.

The MSRB also believes that the proposed rule change is consistent with Section 15B(b)(2)(J) of the Act<sup>14</sup> which requires, in pertinent part, that the MSRB's rules shall provide that each municipal securities broker, municipal securities dealer, and municipal advisor shall pay to the Board such reasonable fees and charges as may be necessary or appropriate to defray the costs and expenses of operating and administering the Board and that such rules shall specify the amount of such fees and charges.

The MSRB recognizes that dealers are experiencing operational challenges coupled with unprecedented conditions in the municipal market due to the COVID–19 pandemic and believes this temporary waiver of certain market activity fees will provide some relief.

The temporary waiver would be applicable to a limited number of transactions for a limited duration, consistent with the operation of the MLF.<sup>15</sup> The MSRB believes that the waiver would not materially alter the total amount of fees collected by the MSRB or negatively impact its long-term sustainability, thereby continuing to ensure that the MSRB is sufficiently capitalized to meet its regulatory responsibilities. Accordingly, the MSRB believes that the proposed waiver of certain assessments on a temporary basis is reasonable and appropriate.

## B. Self-Regulatory Organization's Statement on Burden on Competition

Section 15B(b)(2)(C) of the Act<sup>16</sup> requires that MSRB rules be designed not to impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The goal of the proposed rule change is to provide relief during the exigent circumstances of the COVID–19 pandemic. The relief will apply equally to all dealers and extend for the duration of the MLF.<sup>17</sup> Accordingly, the MSRB does not believe that the proposed rule change would result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

## C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>18</sup> and paragraph (f) of Rule 19b–4 thereunder.<sup>19</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

<sup>13</sup> See Fed Term Sheet.

<sup>16</sup> 15 U.S.C. 78o–4(b)(2)(C).

<sup>17</sup> Currently, the MLF is planning to only purchase Eligible Notes until December 31, 2020. See Fed Term Sheet.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88979; File No. SR-NYSEAMER-2020-40]

### Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the NYSE American Equities Price List and the NYSE American Options Fee Schedule Related to Co-Location Services

June 1, 2020.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that on May 18, 2020, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE American Equities Price List and the NYSE American Options Fee Schedule (together, the “Price List and Fee Schedule”) related to co-location services with respect to connectivity to the ICE Data Global Index and to waive any change fees that a User would otherwise incur as a result of the proposed change. The proposed rule change is available on the Exchange’s website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of,

and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend the Price List and Fee Schedule related to co-location<sup>4</sup> services offered by the Exchange with respect to connectivity to the ICE Data Global Index (“GIF”) and to waive any change fees that a User would otherwise incur as a result of the proposed change.

###### Proposed Change

The Exchange offers Users<sup>5</sup> connectivity to data feeds from third party markets and other content service providers (“Third Party Data Feeds”).<sup>6</sup> The list of Third Party Data Feeds is set forth in the Price List and Fee Schedule, and includes connectivity to the GIF for a monthly connectivity fee of \$100.<sup>7</sup>

<sup>4</sup> The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission (“Commission”) in 2010. See Securities Exchange Act Release No. 62961 (September 21, 2010), 75 FR 59299 (September 27, 2010) (SR-NYSEAmex-2010-80). The Exchange is an indirect subsidiary of Intercontinental Exchange, Inc. (“ICE”). Through its ICE Data Services (“IDS”) business, ICE operates a data center in Mahwah, New Jersey (the “data center”), from which the Exchange provides co-location services to Users.

<sup>5</sup> For purposes of the Exchange’s co-location services, a “User” means any market participant that requests to receive co-location services directly from the Exchange. See Securities Exchange Act Release No. 76009 (September 29, 2015), 80 FR 60213 (October 5, 2015) (SR-NYSEAMKT-2015-67). As specified in the Price List and Fee Schedule, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange’s affiliates the New York Stock Exchange LLC, NYSE Arca, Inc., NYSE Chicago, Inc., and NYSE National, Inc. (collectively, the “Affiliate SROs”). Each Affiliate SRO has submitted substantially the same proposed rule change to propose the changes described herein. See SR-NYSE-2020-46, SR-NYSEArca-2020-49, SR-NYSECHX-2020-17, and SR-NYSENASD-2020-19.

<sup>6</sup> See Securities Exchange Act Release No. 80309 (March 24, 2017), 82 FR 15725 (March 30, 2017) (SR-NYSEAMKT-2016-63) (notice of filing of Partial Amendment No. 4 and order granting accelerated approval of a proposed rule change, as modified by Amendment Nos. 1 through 4, to amend the co-location services offered by the Exchange to add certain access and connectivity fees).

<sup>7</sup> The Exchange has an indirect interest in the GIF because ICE is the Exchange’s ultimate parent. See *id.*, at 15733, and Securities Exchange Act Release

ICE, which publishes the GIF, announced to its customers that connect to the GIF that it will no longer offer the GIF as a stand-alone product.

Accordingly, the Exchange proposes to cease offering connectivity to the GIF once it is no longer available. The Exchange has been informed by ICE that cessation is currently expected to occur before the end of 2020. The Exchange will announce the operative date through a customer notice.

Users are subject to a change fee if they request a change to one or more existing co-location services.<sup>8</sup> The Exchange proposes to waive any change fees that a User would otherwise incur as a result of the proposed change.

In order to implement the proposed change, the Exchange proposes to make the following changes to the section entitled “Connectivity to Third Party Data Feeds”:

- In the first paragraph and in the table of Third Party Data Feeds, add an asterisk after “ICE Data Global Index.”
- Following the table of Third Party Data Feeds, add the following text:

\* ICE will cease to offer the GIF as a stand-alone product, which the Exchange has been informed by ICE is currently expected to occur before the end of 2020. The Exchange will announce the operative date through a customer notice. Any change fees that a User would otherwise incur as a result of the proposed change will be waived.

The GIF includes the values of various indices and exchange traded product data.<sup>9</sup> Based on information published by ICE Data Services, all the data in the GIF was already available on the ICE Data Services Consolidated Feed (“Consolidated Feed”).<sup>10</sup> The Exchange offers connectivity to the Consolidated Feed, and does not propose to change

No. 79672 (December 22, 2016), 81 FR 96080 (December 29, 2016) (SR-NYSEAMKT-2016-63) (notice of filing of Amendments Nos. 2 and 3 to proposed rule change to amend the co-location services offered by the Exchange to add certain access and connectivity fees).

<sup>8</sup> See Securities Exchange Act Release Nos. 67664 (August 15, 2012), 77 FR 50733 (August 22, 2012) (SR-NYSEAMKT-2012-10) (order approving a proposed rule change amending the NYSE MKT Price List to provide for additional co-location services and establish related fees), and 67665 (August 15, 2012), 77 FR 50734 (August 22, 2012) (SR-NYSEAMKT-2012-11) (order approving a proposed rule change amending the NYSE Amex Options Fee Schedule to provide for additional co-location services and establish related fees).

<sup>9</sup> The Exchange understands that some of the indices may include Exchange or Affiliate SRO data as underlying components, but the GIF does not include those underlying components or other information directly from the Exchange and Affiliate SROs.
