BILLING CODE 6717–01–P

FEDERAL COMMUNICATIONS COMMISSION

[DA 20–576]

Media Bureau Announces Settlement Opportunity for Mutually Exclusive Low Power Television and TV Translator Applications—June 1, 2020–July 31, 2020

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: The Media Bureau has pending before it the mutually exclusive applications for new or modified digital low power television and television translator stations (LPTV/translator stations) listed in the Appendix to this Public Notice. Parties with applications in the mutually exclusive groups listed in the Appendix may resolve their mutual exclusivity by unilateral engineering amendment, legal settlement, or engineering settlement during a settlement period beginning today, June 1, 2020 and ending at 11:59 p.m. ET, July 31, 2020.

DATES: The settlement period will open June 1, 2020 and close on July 31, 2020 at 11:59 p.m. ET.

FOR FURTHER INFORMATION CONTACT:

Mark Colombo (technical questions), Mark.Colombo@fcc.gov, (202) 418–7611, or Shaun Maher (legal questions), Shaun.Maher@fcc.gov, (202) 418–2324, of the Video Division, Media Bureau.

SUPPLEMENTARY INFORMATION: The applications listed in the Appendix to the Public Notice are subject to the Commission's competitive bidding procedures unless their mutual exclusivity is resolved. The Media Bureau will withhold further action on the mutually exclusive applications listed in the Appendix pending submission of settlement agreements or engineering amendments to resolve mutual exclusivity prior to the close of the settlement period.

Unilateral Engineering Amendments. Applicants may resolve their mutual exclusivity by filing an engineering amendment to their application. An amendment that does not implicate the application of another station may be filed by the station during the settlement period without coordination with any other entity. All such amendments must be submitted by filing an amended FCC Form 2100—Schedule C in the Media Bureau's Licensing and Management System (LMS) by 11:59 p.m. ET on July 31, 2020. Engineering amendments submitted by applicants to unilaterally resolve their mutual exclusivity must be minor, as defined by the applicable rules, and must not create new mutual exclusivities or application conflicts.

Legal Settlements. Applicants may also resolve their mutual exclusivity through a legal settlement that provides for the dismissal of one or more of the application(s) in their mutually exclusive group. Such agreements must be submitted for Commission approval. Parties submitting a legal settlement for approval must ensure that their agreements comply with the provisions of section 311(c) of the Communications Act of 1934, as amended, and the pertinent requirements of section 73.3525 of the Commission's rules, including, inter alia, the settlement reimbursement restrictions. Parties filing a request for approval of settlement agreement must include a copy of their agreement and: (1) A statement outlining the reasons why such agreement is in the public interest; (2) a statement that each party's application was not filed for the purpose of reaching or carrying out such agreement; (3) a certification that neither the dismissing applicant nor its
