

notice that the entity identified below has applied for registration as a bulk manufacturer of schedule I controlled substances. In response, registered bulk manufacturers of the affected basic class(es), and applicants therefor, may file written comments on or objections of the requested registration, as provided in this notice. This notice does not constitute any evaluation or determination of the merits of the application submitted.

The applicant plans to manufacture bulk active pharmaceutical ingredients (APIs) for product development and distribution to DEA registered researchers. If the application for registration is granted, the registrant would not be authorized to conduct other activity under this registration aside from those coincident activities specifically authorized by DEA regulations. DEA will evaluate the application for registration as a bulk manufacturer for compliance with all applicable laws, treaties, and regulations and to ensure adequate safeguards against diversion are in place.

As this applicant has applied to become registered as a bulk manufacturer of marijuana, the application will be evaluated under the criteria of 21 U.S.C. 823(a). DEA proposes to conduct this evaluation in the manner described in the rule proposed at 85 FR 16292, published on March 23, 2020, if finalized.

In accordance with 21 CFR 1301.33(a), DEA is providing notice that on May 7, 2020, Honeoye Manufacturing, 4825 County Road 36,

Honeoye, New York 14471, applied to be registered as a bulk manufacturer of the following basic class(es) of controlled substances:

Controlled substance	Drug code	Schedule
Marihuana	7360	I

The applicant noticed above applied to become registered with DEA to grow marijuana as a bulk manufacturer subsequent to a 2020 DEA notice of proposed rulemaking that provided information on how DEA intends to expand the number of registrations, and described the way it would oversee those additional growers. If finalized, the proposed rule would govern persons seeking to become registered with DEA to grow marijuana as a bulk manufacturer, consistent with applicable law. The notice of proposed rulemaking is available at 85 FR 16292.

William T. McDermott,
Assistant Administrator.
