### Federal Emergency Management Agency

[Internal Agency Docket No. FEMA–4495–DR; Docket ID FEMA–2020–0001]

#### Guam; Amendment No. 1 to Notice of a Major Disaster Declaration

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Notice.

**SUMMARY:** This notice amends the notice of a major disaster declaration for the territory of Guam (FEMA–4495–DR), dated March 27, 2020, and related determinations.

**DATES:** This amendment was issued May 28, 2020.

**FOR FURTHER INFORMATION CONTACT:** Dean Webster, Office of Response and Recovery, Federal Emergency Management Agency, 500 C Street SW, Washington, DC 20472, (202) 646–2833.

**SUPPLEMENTARY INFORMATION:** The notice of a major disaster declaration for the territory of Guam is hereby amended to include Individual Assistance limited to the Crisis Counseling Program for those areas determined to have been adversely affected by the event declared a major disaster by the President in his declaration of March 27, 2020.

Individual Assistance limited to the Crisis Counseling Program for all areas in the territory of Guam (already designated for emergency protective measures [Category B] not authorized under other Federal statutes, including direct Federal assistance).

The following Catalog of Federal Domestic Assistance Numbers (CFDA) are to be used for reporting and drawing funds: 97.030, Community Disaster Loans; 97.031, Cora Brown Fund; 97.032, Crisis Counseling; 97.033, Disaster Legal Services; 97.034, Disaster Unemployment Assistance (DUA); 97.046, Fire Management Assistance Grant; 97.048, Disaster Housing Assistance to Individuals and Households In Presidentially Declared Disaster Areas; 97.049, Presidentially Declared Disaster Assistance—Disaster Housing Operations for Individuals and Households; 97.050 Presidentially Declared Disaster Assistance to Individuals

and Households—Other Needs; 97.036, Disaster Grants—Public Assistance (Presidentially Declared Disasters); 97.039, Hazard Mitigation Grant.

## DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS–2019–0057]

### Understanding Public Perception and Acceptance of First Responders Use of Unmanned Aircraft Systems

**AGENCY:** Science and Technology Directorate (S&T), Department of Homeland Security (DHS).

**ACTION:** 30-Day Notice of Information Collection; New request for comment, 1640–NEW.

**SUMMARY:** The Department of Homeland Security (DHS), Science and Technology Directorate (S&T) seeks to submit the following Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The survey of Understanding Public Perception and Acceptance of First Responders Use of Unmanned Aircraft Systems (UAS) is the application of unmanned aircraft systems (UAS) to firefighting, law enforcement, and emergency medical missions. First responder organizations have used UAS to search for lost children, identify high risk areas in burning structures, facilitate relief operations following hurricanes, reduce risk and exposure for law enforcement officers in active-shooter events, and many other use cases. The primary purpose of this survey is to understand the public perception of and identify concerns with current and potential uses of UAS technology by first responders. The survey will ask respondents to report their demographic characteristics, their knowledge of unmanned aircraft systems (UAS), their knowledge of the use of UAS by first responders, their overall trust in the use of new technologies by the government and first responders, their general attitudes about such use, and their opinions about the use of drones by first responders for specific applications like search-and-rescue. The survey will also ask respondents to evaluate the effectiveness of different test messages that we have created to deliver

information to the public about first responder drone applications.

**DATES:** Comments are encouraged and accepted until July 9, 2020.

**ADDRESSES:** Interested persons are invited to submit written comments on this proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments, identified by docket number DHS–2019–0057, should be submitted via the Federal eRulemaking Portal: <https://www.regulations.gov>. The comments submitted via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). Please follow the instructions on the site for submitting comments.

**FOR FURTHER INFORMATION CONTACT:** DHS/S&T/OSE/TCD Program Manager: Kathleen Deloughery, [kathleen.deloughery@hq.dhs.gov](mailto:kathleen.deloughery@hq.dhs.gov) or (202) 254–6189 (Not a toll free number).

**SUPPLEMENTARY INFORMATION:** DHS, in accordance with the Paperwork Reduction Act (PRA), 44 U.S.C. 3501 *et seq.*, provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. DHS is soliciting comments on the proposed information collection request (ICR) that is described below. DHS is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology? Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Understanding Public Perception and Acceptance of First Responders Use of Unmanned Aircraft Systems.

*Prior Federal Register Document:* 85 FR 7570, Volume 85 No. 27, Dated Feb 10, 2020.

*Type of Review:* New Information Collection.

*Respondents/Affected Public:* Individuals and Households.

*Frequency of Collection:* One per request.

*Average Burden per Response:* 20 minutes or under.

*Total Estimated Number of Annual Responses:* 2,000.

*Total Estimated Number of Annual Burden Hours:* 660.

Dated: May 11, 2020.

**Gregg Piermarini,**

*Chief Information Officer, Science and Technology Directorate.*

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7029-N-05]

### 60-Day Notice of Proposed Information Collection: Rental Assistance Demonstration (RAD) Choice Mobility and Long-Term Affordability Evaluation

**AGENCY:** Office of the Assistant Secretary for Policy Development and Research, HUD.

**ACTION:** Notice.

**SUMMARY:** The U.S. Department of Housing and Urban Development (HUD) is seeking approval from the Office of Management and Budget (OMB) for the information collection described below. In accordance with the Paperwork Reduction Act, HUD is requesting comment from all interested parties on the proposed collection of information. The purpose of this notice is to allow for 60 days of public comment.

**DATES:** *Comments Due Date:* August 10, 2020.

**ADDRESSES:** Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent to: Anna P. Guido, Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street SW, Room 4176, Washington, DC 20410-5000; telephone 202-402-5534 (this is not a toll-free number) or email at [Anna.P.Guido@hud.gov](mailto:Anna.P.Guido@hud.gov) for a copy of the proposed forms or other available information. Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Relay Service at (800) 877-8339.

**FOR FURTHER INFORMATION CONTACT:**

Anna P. Guido, Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410; email Anna P. Guido at [Anna.P.Guido@hud.gov](mailto:Anna.P.Guido@hud.gov) or telephone 202-402-5535. This is not a toll-free number. Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Relay Service at (800) 877-8339.

Copies of available documents submitted to OMB may be obtained from Ms. Guido.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

#### A. Overview of Information Collection

*Title of Information Collection:* Rental Assistance Demonstration (RAD) Choice Mobility and Long-Term Affordability Evaluation.

*OMB Approval Number:* Pending.

*Type of Request:* New collection.

*Form Number:* N/A.

*Description of the need for the information and proposed use:* The Office of Policy Development and Research (PD&R), at the U.S. Department of Housing and Urban Development (HUD), is proposing the collection of information for the *Rental Assistance Demonstration (RAD) Choice Mobility and Long-Term Affordability Evaluation*.

RAD was established under the Consolidated and Further Continuing Appropriations Act of 2012 to preserve affordable housing units over the long term by enabling public housing authorities (PHAs) to apply to HUD to convert at-risk public housing properties to two different forms of project-based Section 8 Housing Assistance Payments contracts—project-based voucher (PBV) or project-based rental assistance (PBRA). Doing so gives PHAs more flexibility to access private and public funding sources to meet with short-term capital needs, reduce their reliance on limited appropriations, and stabilize their financial and physical condition. Choice mobility, an additional feature of RAD, allows residents of RAD properties to request a Housing Choice Voucher that they can use to move to a housing unit in the private market.

Congress requested an evaluation of RAD to assess the impact of the demonstration on the preservation and improvement of public housing, the amount of private sector leveraging, and the effect on tenants. HUD contracted a two-phase evaluation to address these research areas. The Phase I results were published in 2016 and the Phase II results in 2019. The OMB Approval Number for that evaluation was 2528-0304 and expired on January 31st, 2020. The Fiscal Year 2018 Appropriations Act provided funds to conduct a follow-up evaluation of the RAD program, including its implementation and outcomes, the choice mobility option, the impact on tenants and related

protections, and the long-term preservation of housing affordability.

This **Federal Register** Notice provides an opportunity to comment on the information collection for this new phase of the RAD evaluation titled *RAD Choice Mobility and Long-Term Affordability Evaluation*. The current information collection is designed to support four studies included in the evaluation. One is the study of the implementation of the RAD choice mobility option and its effects on property outcomes, tenant outcomes, and the voucher program. The second study is the impact of RAD on the long-term preservation and financial viability of converted affordable housing properties. The third is the adequacy of asset management for PBV and PBRA conversions. The fourth study will examine the organizational and operational changes at PHAs that participated in RAD. For the first three studies, the evaluation includes web-based survey of all RAD PHAs, RAD property owners/operators, and former RAD residents who have exercised the choice mobility option; and a sample survey of RAD residents who have not elected the choice mobility option. For the fourth study, we plan to conduct qualitative interviews with senior staff at 26 RAD PHAs.

*Respondents:* PHA officials and staff participating in the RAD program; property owners/operators of RAD properties; former RAD residents who have exercised the choice mobility option; and RAD residents who have not elected the choice mobility option.

*Estimated Number of Respondents:* This information collection will affect approximately 3,596 respondents. This includes: (1) A survey of 500 RAD PHAs; (2) a survey of 1,350 RAD property owners/operators; (3) a survey of approximately 1,300 former RAD residents who are choice mobility option users; (4) a survey of a sample of 420 RAD residents who did not use the choice mobility option, and (5) qualitative interviews of a sample of 26 RAD PHAs.

*Estimated Time per Response:* The RAD PHA survey is expected to take 45 minutes. The RAD property owner/operator survey is expected to take 20 minutes. Surveys of residents, for both the choice mobility census and the non-choice mobility sample, are expected to take 20 minutes. Qualitative interviews with a sample of 26 PHAs will take approximately 60 minutes to complete.

*Frequency of Response:* 1 time for all surveys and qualitative interviews.

*Estimated Total Annual Burden Hours:* 1,414 hours for all surveys and qualitative interviews.
