#### FOR FURTHER INFORMATION CONTACT:

Agency Submitting Officer: Joanna Reynolds, (202) 357-3979.

**SUPPLEMENTARY INFORMATION:** In accordance with the Paperwork Reduction Act (PRA), the U.S. International Development Finance Corporation (DFC) is seeking emergency clearance from OMB on a new information collection titled DFC-014, U.S. International Development Finance Corporation—Defense Production Act Loan Application (DFC-DPA Loan Application). Executive Order 13922, “Delegating Authority Under the Defense Production Act to the Chief Executive Officer of the United States International Development Finance Corporation To Respond to the COVID-19 Outbreak,” 85 FR 30583, delegated the authority to make loans, make provision for purchases and commitments to purchase, and take additional actions to create, maintain, protect, expand, and restore the domestic industrial base capabilities, including supply chains under the Defense Production Act (DPA) to the

Chief Executive Officer of the DFC in order to help address the national emergency caused by COVID-19.

Emergency clearance is necessary because the time to comply with the public comment provisions of the PRA would prevent the agency from quickly and efficiently responding to a national emergency. The information required by this collection is substantially similar to the information collected in DFC's other currently approved finance applications, OMB 3015-0004 and OMB 3015-0006. Furthermore, the agency intends to use this emergency clearance period to allow it to begin assistance under the DPA while initiating a request for a regular clearance that will provide the full public comment period.
