BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket Number USCG-2020-0188]

Application for Recertification of Cook Inlet Regional Citizens' Advisory Council

AGENCY: Coast Guard, DHS.

ACTION: Notice; request for comments.

SUMMARY: The Coast Guard announces the availability of, and seeks comments on, the recertification of the Cook Inlet Regional Citizen's Advisory Council (CIRCAC) for September 1, 2020 through August 31, 2021. Under the Oil Pollution Act of 1990 (OPA 90), the Coast Guard may certify the CIRCAC on an annual basis. This advisory group monitors the activities of terminal facilities and crude oil tankers under the Cook Inlet program established by the statute. The Coast Guard may certify an alternative voluntary advisory group in lieu of the CIRCAC. The current certification for the CIRCAC will expire August 31, 2020.

DATES: Public comments on CIRCAC's recertification application must reach the Seventeenth Coast Guard District on or before July 27, 2020.

ADDRESSES: You may submit comments identified by docket number USCG-2020-0188 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the

SUPPLEMENTARY INFORMATION section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this recertification, call or email LT Ian McPhillips, Seventeenth Coast Guard District (dpi); telephone (907) 463-2809; email Ian.P.McPhillips@uscg.mil. If you have questions on viewing or submitting material to the docket, contact the U.S. Coast Guard Headquarters, Regulations and Administrative Law office, telephone (202) 372-3862.

SUPPLEMENTARY INFORMATION:

I. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Documents mentioned in this notice as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

II. Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor

union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

III. Public Meeting

The Coast Guard does not plan to hold a public meeting. But you may submit a request for one on or before July 27, 2020 using the method specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid the process of thoroughly considering the application for recertification, we will hold one at a time and place announced by a later notice in the **Federal Register**.

IV. Background and Purpose

The Coast Guard published guidelines on December 31, 1992 (57 FR 62600), to assist groups seeking recertification under the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990 (33 U.S.C. 2732) (the Act). The Coast Guard issued a policy statement on July 7, 1993 (58 FR 36504), to clarify the factors that the Coast Guard would be considering in making its determination as to whether advisory groups should be certified in accordance with the Act, and the procedures which the Coast Guard would follow in meeting its certification responsibilities under the Act. Most recently, on September 16, 2002 (67 FR 58440), the Coast Guard changed its policy on recertification procedures for regional citizen's advisory council by requiring applicants to provide comprehensive information every three years. For the two years in between, applicants only submit information describing substantive changes to the information provided at the last triennial recertification. This is the year in this triennial cycle that CIRCAC must provide comprehensive information.

The Coast Guard is accepting comments concerning the recertification of CIRCAC. At the conclusion of the comment period on July 27, 2020, the Coast Guard will review all application materials and comments received and will take one of the following actions:

(a) Recertify the advisory group under 33 U.S.C. 2732(o);

(b) Issue a conditional recertification for a period of 90 days, with a statement of any discrepancies, which must be corrected to qualify for recertification for the remainder of the year; or

(c) Deny recertification of the advisory group if the Coast Guard finds that the group is not broadly representative of the interests and communities in the area or is not adequately fostering the goals and purposes of 33 U.S.C. 2732.

The Coast Guard will notify CIRCAC by letter of the action taken on its application. A notice will be published in the **Federal Register** to advise the public of the Coast Guard's determination.

Dated: June 5, 2020.

Matthew T. Bell, Jr.,

*Rear Admiral, U.S. Coast Guard, Commander,
Seventeenth Coast Guard District.*

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2020-0008]

Request for Information on Effectiveness in Maintaining and Improving State, Local, Tribal, and Territorial Preparedness

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for information.

SUMMARY: The Federal Emergency Management Agency (FEMA) is issuing this Request for Information (RFI) to receive information in response to a list of priority research questions to further understand existing evidence on the Homeland Security Grant Program's (HSGP's) influence on State, local, Tribal, and territorial (SLTT) preparedness. The HSGP includes a suite of risk-based grants to assist SLTT efforts in preventing, preparing for, protecting against, and responding to acts of terrorism. HSGP funding can also be used to enhance preparedness for other catastrophic events (*e.g.*, hurricanes, wildfires) when the use of such funds has a nexus to preventing, preparing for, protecting against, and responding to terrorism.

DATES: Comments must be received by November 9, 2020.

ADDRESSES: You may submit comments, identified by docket ID FEMA-2020-0008, by one of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

See the "Public Participation" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT:

Bethany Slater, Program Analyst, Measures and Standards Branch, National Preparedness Assessment Division, National Preparedness

Directorate, FEMA, DHS, 400 C St. SW, Washington DC 20472, *Bethany.Slater@fema.dhs.gov*, 202-717-4111.

SUPPLEMENTARY INFORMATION:

I. Public Participation

Instructions: All submissions received must include the agency name and docket ID. All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy and Security notice, which can be viewed by clicking on the "Privacy and Security Notice" link on the homepage of www.regulations.gov.

You may submit your comments and material by the methods specified in the **ADDRESSES** section. Please submit your comments and any supporting material by only one means to avoid the receipt and review of duplicate submissions.

Docket: For access to the docket to read background documents or comments received, go to the Federal eRulemaking Portal at <http://www.regulations.gov> and search for the Docket ID.

II. Background and Purpose

HSGP provides funds to eligible entities to support SLTT efforts to prevent terrorism and to prepare the Nation for the threats and hazards that pose the greatest risk to the security of the United States. HSGP funding can also be used to enhance preparedness for other catastrophic events (*e.g.*, hurricanes, wildfires) when the use of such funds has a nexus to preventing, preparing for, protecting against, and responding to terrorism. Since its creation in 2003, HSGP annually issued between \$850 million and \$2.5 billion in grant funding to support SLTT governments.

As administered by FEMA, HSGP consists of three subcomponent programs: State Homeland Security Program (SHSP), Urban Area Security Initiative (UASI), and Operation Stonegarden. See FEMA, Homeland Security Grant Program, <https://www.fema.gov/homeland-security-grant-program> (last visited Feb. 28, 2020). This request for information is limited to SHSP and UASI.

The Homeland Security Act of 2002 authorizes the Department of Homeland Security (DHS)/FEMA to award SHSP and UASI funding to each State, territory, and high-risk urban area based on: (1) Its relative threat, vulnerability, and consequence from acts of terrorism, and (2) the anticipated effectiveness of the proposed use of the grant to prepare

for, protect against, and respond to acts of terrorism. See 6 U.S.C. 608. Grant dollars are administrated by State Administrative Agencies who are generally required to pass-through at least 80 percent of SHSP and UASI funds to local or Tribal jurisdictions. See 6 U.S.C. 604(d)(2)(A), 605(c)(1)(A)-(C).

As the administrator of HSGP, FEMA is interested in identifying existing evidence, tools and methods to better evaluate the effectiveness of HSGP as it pertains to maintaining and improving SLTT and national preparedness. FEMA's National Preparedness Assessment Division has documented its past and current grant effectiveness strategy in its document "Grant Effectiveness Strategic Vision 2.0 Homeland Security Grant Program." See FEMA, Grant Effectiveness Strategic Vision 2.0—Homeland Security Grant Program, <https://www.fema.gov/media-library/assets/documents/186474> (last visited Mar. 26, 2020). The objectives for this vision are:

Objective 1: Implement projects that address State and national priorities;

Objective 2: Improve capabilities and achieve preparedness outcomes; and

Objective 3: Manage projects in accordance with Federal standards and guidance.

The purpose of this RFI is for FEMA to receive information in response to a list of priority research questions to further understand existing evidence on the influence of HSGP on SLTT and national preparedness. FEMA requests information on research studies, program evaluations, and/or meta-analyses that provide empirical findings relevant to the research questions outlined below. FEMA is interested in evidence on the contributions of HSGP-funded projects (or projects that could be funded through HSGP in the future). Such evidence would ideally include quantitative measurements of how such projects help maintain or improve SLTT and national capabilities to prepare for, protect against, respond to, recover from, and mitigate all hazards and/or the risk of hazards. Additional broader quantitative research may also be helpful, such as research pertaining to interventions that help prevent or reduce the risk that an event will occur, or the impact of such events. Such research could relate to any of a range of interventions, including interventions that address public health, environmental conservation, domestic violence, criminal recidivism, and drug use. Helpful research may use capacity or capability assessments to measure changes in outcomes over time after an
