common alloy aluminum sheet (aluminum sheet) from the People’s Republic of China (China) to state the correct cash deposit requirements.

SUPPLEMENTARY INFORMATION: On May 22, 2020, Commerce published the Final Results of the antidumping duty CCRs of aluminum foil and aluminum sheet from China.1 In the Final Results, Commerce inadvertently stated that Commerce would instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced or exported by Shanghai Huafon Aluminium Corporation (Shanghai Huafon).2 Commerce is correcting the Final Results to clarify that Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced and exported by Shanghai Huafon and entered, or withdrawn from warehouse, for consumption on or after the publication date of the Final Results at 73.66 percent for aluminum foil, and at 49.85 percent for aluminum sheet. These cash deposit requirements shall remain in effect until further notice.

This correction to the Final Results is published in accordance with sections 751(b)(1) and 736(a) of the Tariff Act of 1930, as amended.

DEPARTMENT OF DEFENSE
Department of the Army

Privacy Act of 1974; System of Records

AGENCY: Department of the Army, Department of Defense (DoD).

ACTION: Notice of a modified System of Records.

SUMMARY: The Commander’s Risk Reduction Dashboard (CRRD) provides Army Command Teams visibility of risk history, personal readiness factors, and adverse trends for units and individual soldiers in a near real-time environment. The CRRD effort is in response to an increase in suicides in the Army. It is designed to provide Command Teams with the necessary information to recognize suicidal behavior, death risks, and high-risk behavior. In addition to formatting changes to comply with Office of Management and Budget (OMB) Circular No. A–108, this System of Records is being modified to expand the categories of records, clarify the purpose and use of information, update the authorities, and to incorporate the applicable DoD Routine Uses in the published notice. All other changes to the notice are administrative in nature.

DATES: This System of Records modification is effective upon publication; however, comments on the Routine Uses will be accepted on or before July 13, 2020. The Routine Uses are effective at the close of the comment period.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

* Mail: DoD cannot receive written comments at this time due to the COVID–19 pandemic. Comments should be sent electronically to the docket listed above.

Instructions: All submissions received must include the agency name and docket number for this Federal Register document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at https://www.regulations.gov as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mr. Myron Wong, Department of the Army, U.S. Army Records Management and Declassification Agency, ATTENTION: Army Privacy and Civil Liberties Office, 9301 Chapek Road (Building 1458), Fort Belvoir, VA 22060–5605, or by calling 571–515–0243.

SUPPLEMENTARY INFORMATION: The Army developed the CRRD to improve leaders’ visibility and increase personnel readiness. The Army Health Promotion, Risk Reduction, and Suicide Prevention Report 2010, initiated the CRRD requirements with the purpose of proactively identifying and mitigating the high-risk behavior of soldiers. The CRRD provides behavioral trends for individual soldiers and Army units. It consolidates information from multiple Army databases and presents command teams with a concise report about military personnel in their units involved in at-risk behaviors and the dates of occurrence. These reports are used by company and battalion commanders to decide how to proactively engage in intervention strategies with individual soldiers at the
