Certain Hardwood Plywood Products From the People's Republic of China: Initiation of Anti-Circumvention Inquiries and Scope Inquiries on the Antidumping Duty and Countervailing Duty Orders; Vietnam Assembly

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to allegations of circumvention from the Coalition for Fair Trade in Hardwood Plywood (the petitioner), the Department of Commerce (Commerce) is initiating country-wide anti-circumvention inquiries to determine whether certain hardwood plywood products (plywood) completed in Vietnam using plywood components (face veneer, back veneer, and/or either an assembled core or individual core veneers) manufactured in the People's Republic of China (China), or Chinese components (assembled cores, multi-ply core panels, or individual core veneers) combined in Vietnam with other components (face and/or back veneers) manufactured in Vietnam or third countries, are circumventing the antidumping duty (AD) and countervailing duty (CVD) orders on plywood from China. We are also initiating scope inquiries to determine whether any of the products produced under various production scenarios alleged by the petitioner are covered by the scope of the AD/CVD orders on plywood from China. Finally, we are aligning the deadline for the scope inquiries associated with a covered merchandise referral from U.S. Customs and Border Protection (CBP) under the Enforce and Protect Act of 2015 (EAPA) with the anticircumvention inquiries.

DATES: Applicable June 17, 2020.

FOR FURTHER INFORMATION CONTACT: Kabir Archuletta, AD/CVD Operations, Office V, Enforcement & Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482-2593.

SUPPLEMENTARY INFORMATION:

Background

On January 4, 2018, Commerce issued AD and CVD orders on plywood from China.¹ On September 16, 2019, Commerce received an EAPA covered merchandise referral from CBP.² On January 17, 2020, Commerce published a notice of initiation of scope inquiries related to this referral in order to determine whether plywood produced by Vietnam Finewood Company Limited from China-origin materials are covered merchandise subject to the *Orders*.³

On February 25, 2020, pursuant to section 781(b) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.225(c) and (h), the petitioner requested that Commerce issue a scope ruling, or in the alternative, an anti-circumvention ruling, that plywood completed in Vietnam using plywood components manufactured in China, and imported into the United States as Vietnamese-origin plywood, are either within the scope of the *Orders* or are circumventing the *Orders*. Specifically, the petitioner alleged that Chinese plywood components are undergoing minor assembly and finishing in Vietnam that does not remove the merchandise from coverage of the *Orders*, and that these products are entering the United States as Vietnamese-origin plywood for the express purpose of avoiding AD/CVD duties. In the alternative to a scope ruling, the petitioner requested that Commerce find that these products constitute merchandise completed or assembled in a third country that is circumventing, and should be included within, the scope of the *Orders*.⁴

On March 4, 2020, Commerce accepted the petitioner's scope-ruling and circumvention-ruling request and established deadlines for interested parties to provide comments.⁵ Between

March 18, 2020 and May 1, 2020, we received comments from interested parties in response to the allegations made by the petitioner.⁶

On April 14, 2020, Commerce extended the deadline for either issuing a final scope and/or anti-circumvention ruling or initiating a formal scope and/or anti-circumvention inquiry to June 2, 2020.⁷ On May 8, 2020, we requested additional information from the petitioner,⁸ and on May 13, 2020, the petitioner submitted its response to this request.⁹ In this response, the petitioner requested that Commerce expand its inquiry to determine whether plywood assembled in Vietnam from mainly Chinese components, but also including face and/or back veneers from Vietnam or third countries, are within the scope or are circumventing the *Orders*.¹⁰

On June 2, 2020, we again extended the deadline to either issue a final scope and/or anti-circumvention ruling or
