**ACTION:** Issuance of interim directives; notice of availability for public comment.

**SUMMARY:** The United States Department of Agriculture (USDA) Forest Service (Forest Service), is issuing interim directives on the use and storage of explosive materials on National Forest System lands as part of activities authorized under special use permits. **ADDRESSES:** Interim directives may be reviewed and electronic comments may be submitted electronically to <https://cara.ecosystem-management.org/Public/CommentInput?project=ORMS-2226>. Written comments may be mailed to Sean Wetterberg, National Winter Sports Program Manager, 125 South State Street, Suite 7105, Salt Lake City, UT 84138.
