**SUPPLEMENTARY INFORMATION:**

Supporting documents, which explain in detail the information that the EPA will be collecting, are available in the public docket for this ICR. The docket can be viewed online at [www.regulations.gov](http://www.regulations.gov). Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room was closed to public visitors on March 31, 2020, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. For further information on EPA Docket Center services and the current status, please visit <https://www.epa.gov/dockets>.

**Abstract:** This ICR renewal covers the recordkeeping and reporting requirements for all aspects of the TSCA Title VI implementing regulations and regulations relating to accreditation bodies (ABs) and third-party certifiers (TPCs) that wish to participate in this third-party certification program. These ABs and TPCs must submit initial applications for recognition and update those applications every three and two years respectively using the Agency's Central Data Exchange (CDX) system. In addition, ABs and TPCs must submit annual reports which relay certain information to the Agency on the TSCA Title VI certification and testing activities both ABs and TPCs have performed over the last year.

TPCs are responsible for the certification of regulated composite wood products at the mill level through the oversight of panel producers, routine quarterly testing of composite wood products, and physical inspections of the panel production facilities. Through CDX, TPCs are responsible for reporting information including various notifications and annual reports.

Panel producers are responsible for communicating routine testing documentation to their respective TPC pursuant to their responsibilities under 40 CFR 770.20 and 40 CFR 770.40. Panel producers are also responsible for providing certain records to

downstream entities and purchasers of regulated composite wood products as well as the Agency, upon request.

Importers, fabricators, distributors, and retailers are responsible for maintaining records pursuant to 40 CFR 770.30 and 40 CFR 770.40(d).

**Respondents/Affected Entities:** Panel producers, fabricators, distributors, retailers, TPCs, and ABs.

**Respondent's obligation to respond:** Mandatory (15 U.S.C. 2697).

**Estimated total number of potential respondents:** 990,269 firms (total).

**Frequency of response:** On occasion.

**Estimated total burden:** 84,793 hours (per year). Burden is defined at 5 CFR 1320.3(b).

**Estimated total costs:** \$19,638,018 (per year), with no annualized capital or operation and maintenance costs.

**Changes in the estimates:** There is an overall decrease of 1,396,732 hours in the total estimated combined respondent burden that is currently approved by OMB. The decrease is due to adjustments in EPA's estimates of the burden, including revisions to the estimated burden reflecting activities that only had one-time burdens associated with the initial implementation of the rule, and revisions to the estimated number of respondents based on the actual number of participants in the TSCA Title VI program.

**Agency Information Collection Activities: Submission for OMB Review; Comment Request**

**AGENCY:** Federal Deposit Insurance Corporation (FDIC).

**ACTION:** Agency Information Collection Activities: Submission for OMB Review; Comment Request.

**SUMMARY:** The FDIC, as part of its obligations under the Paperwork Reduction Act of 1995, invites the

general public and other Federal agencies to take this opportunity to comment on the renewal of the existing information collections described below. On March 17, 2020, the FDIC requested comment for 60 days on a proposal to renew these information collections. No comments were received. The FDIC hereby gives notice of its plan to submit to OMB a request to approve the renewal of these information collections, and again invites comment on their renewal.

**DATES:** Comments must be submitted on or before July 23, 2020.

**ADDRESSES:** Interested parties are invited to submit written comments to the FDIC by any of the following methods:

- <https://www.FDIC.gov/regulations/laws/federal>.
- **Email:** [comments@fdic.gov](mailto:comments@fdic.gov). Include the name and number of the collection in the subject line of the message.
- **Mail:** Manny Cabeza (202-898-3767), Regulatory Counsel, MB-3128, Federal Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.
- **Hand Delivery:** Comments may be hand-delivered to the guard station at the rear of the 17th Street building (located on F Street), on business days between 7:00 a.m. and 5:00 p.m.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

**SUPPLEMENTARY INFORMATION:** Proposal to renew the following currently approved collections of information:

1. **Title:** Summary of Deposits.  
**OMB Number:** 3064-0061.  
**Affected Public:** FDIC-insured depository institutions.  
**Burden Estimate:**

**SUMMARY OF ANNUAL BURDEN**

Information collection description	Type of burden	Obligation to respond	Estimated number of respondents	Estimated frequency of responses	Estimated time per response (hours)	Estimated annual burden (hours)

Total Estimated Annual Burden.	.....	.....	.....	.....	.....	12,897

*General Description of Collection:* The Summary of Deposits (SOD) is the annual survey of branch office deposits as of June 30 for all FDIC-insured institutions, including insured U.S. branches of foreign banks. All FDIC-insured institutions that operate a main office and one or more branch locations (including limited service drive-thru locations) as of June 30 each year are required to file the SOD Survey. Insured

branches of foreign banks are also required to file. All data collected on the SOD submission are available to the public. The survey data provides a basis for measuring the competitive impact of bank mergers and has additional use in research on banking.

There is no change in the substance or methodology of this information collection. The change in burden is due solely to the decrease in the estimated

number of respondents by 544 from the estimated 4,843 annual respondents in the currently-approved information collection to the current estimate of 4,299. The decrease in estimated respondents is the result of the drop in the total number of insured depository institutions.

2. *Title:* Foreign Banking Investments by Insured State Nonmember Banks.  
*OMB Number:* 3064-0125.

*Affected Public:* Insured state nonmember banks and state savings associations.

*Burden Estimate:*

*General Description of Collection:* The Federal Deposit Insurance (FDI) Act requires state nonmember banks to obtain FDIC consent to establish or operate a foreign branch, or to acquire and hold, directly or indirectly, stock or other evidence of ownership in any foreign bank or other entity. The FDI

Act also authorizes the FDIC to impose conditions for such consent and to issue regulations related thereto. This collection is a direct consequence of those statutory requirements.

There is no change in the substance or methodology of this information collection. The change in burden is due solely to the decrease in the estimated number of respondents by 2 from the estimated 20 annual respondents in the currently-approved information

collection to the current estimate of 18. The decrease in estimated respondents is the result of the drop in the total number of insured depository institutions.

3. *Title:* Reverse Mortgage Products.  
*OMB Number:* 3064-0176.

*Affected Public:* Insured state nonmember banks and state savings associations making reverse mortgage.

*Burden Estimate:*

**General Description of Collection:** Respondents must prepare and provide certain disclosures to consumers (e.g., that insurance products and annuities are not FDIC-insured) and obtain consumer acknowledgments, at two different times: (1) Before the completion of the initial sale of an insurance product or annuity to a consumer; and (2) at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit).

**Methodology and Assumptions**

The FDIC revised its estimates of the number of respondents to this information collection based on changes in the estimated number of respondents due to economic conditions. The hourly burden per response remains the same, recognizing a difference between the amount of time required to implement policies and procedures and the amount of time required to maintain records on an ongoing basis once those policies and procedures have been established.

**Total Estimated Number of Respondents**

FDIC revised its estimate of the number of respondents to this information collection. Potential respondents to this information collection include all FDIC-supervised institutions that adopt or revise policies and procedures regarding reverse mortgage offerings. The estimate for respondents with ongoing reverse mortgage products was calculated using 2018 Home Mortgage Disclosure Act (HMDA) data and 2018 monthly U.S. Department of Housing and Urban Development (HUD) Home Equity Conversion Mortgage (HECM) data. For the 2018 HMDA data, the FDIC identified 27 institutions that had at least 1 application for a reverse mortgage.<sup>1</sup> In order to account for reverse mortgage originators who did

not report HMDA data, the FDIC cross referenced to the 2018 HUD HECM data and identified 6 institutions with at least 1 application in the 2018 HUD HECM data. Three of those institutions were also identified in the 2018 HMDA data; thus, the FDIC identified 30 total reverse mortgage originators using 2018 data from the two sources.

To estimate the number of institutions facing implementation burden, FDIC looked at the change in the estimated number of respondents facing ongoing burden for revising existing policies and procedures. In 2016 FDIC estimated the number of respondents facing ongoing burden to be 26. The current estimated number of FDIC-supervised institutions that offer reverse mortgages is 30. The FDIC assumes that approximately 4 institutions began offering reverse mortgages over the last three years and estimates the number of respondents implementing reverse mortgage products to be approximately one per year.

**Estimated Hourly Burden**

FDIC estimates the recordkeeping burden associated with implementing and documenting incentive-based compensation policies and procedures to be 40 hours per respondent, per year. FDIC estimates the recordkeeping burden associated with revising and documenting incentive-based compensation policies and procedures previously adopted and documented to be 8 hours per respondent, per year.

**Request for Comment**

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC’s functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
