

design parameters. However, the LNG storage tank location is 0.8 miles from the Metro Field airport in Fairbanks, Alaska.

The special permit renewal request, proposed special permit with modified conditions, and Final Environmental Assessment (FEA) for the FNG LNG storage tank are available for review and public comment in the Docket No. PHMSA-2013-0181. We invite interested persons to review and submit comments on the special permit renewal request, special permit with modified conditions, and FEA in the docket. Please include any comments on potential safety and environmental impacts that may result if the special permit is renewed. Comments may include relevant data.

Before issuing a decision on the special permit renewal request, PHMSA will evaluate all comments received on or before the comment closing date. Comments received after the closing date will be evaluated, if it is possible to do so without incurring additional expense or delay.

PHMSA will consider each relevant comment it receives in making a

decision to grant or deny this special permit renewal request.
