The Commission instituted the investigation following receipt of a request from the USTR on August 30, 2019. The USTR asked that the Commission provide its report in two volumes, with volume 1 provided by June 30, 2020, and volume 2 by October 31, 2020. In its notice announcing the investigation, the Commission noted the respective due dates for volumes 1 and 2 of the report, and in connection with volume 2, requested that written submissions be filed with the Commission by June 5, 2020. On May 28, 2020, the Commission received a request on behalf of the U.S. Trade Representative, requesting that the Commission deliver volume 2 of its report by January 31, 2021. All written submissions should be addressed to the Secretary, and should be received no later than 5:15 p.m., July 31, 2020 for matters to be covered by volume 2 of the Commission's report. All written submissions must conform with the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 of the Rules (as further explained in the Commission's *Handbook on Filing Procedures*) requires that interested parties file documents electronically on or before the filing deadline (see the following paragraph for further information regarding confidential business information or "CBI"). Persons with questions regarding electronic filing should contact the Office of the

Secretary, Docket Services Division (202–205–1802). The Commission has waived the requirement in section 201.8(d)(1) of its rules (19 CFR 201.8(d)(1)) that persons filing written submissions must also file paper copies of their written submissions by noon of the next day; accordingly, no paper copies should be filed, nor should copies be filed in any form other than electronic.

Confidential Business Information (CBI): Any submissions that contain CBI must also conform to the requirements of section 201.6 of the *Commission's Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the Rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the CBI is clearly identified using brackets. The Commission will make all written submissions, except for those (or portions thereof) containing CBI, available for inspection by interested parties.

In his request letter, the USTR stated that his office intends to make the Commission's report available to the public in its entirety, and he asked that the Commission not include any CBI in the report that it delivers to USTR.

The Commission will not include any of the CBI submitted in the course of this investigation in the report it sends to the USTR. However, all information, including CBI, submitted in this investigation may be disclosed to and used (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission, including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any CBI in a manner that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: The Commission intends to publish any summaries of written submissions filed by interested persons. Persons wishing to have a summary of their submission included in the report should include a summary with their written submission, titled "Public Summary," and should mark the summary as having been provided for that purpose.
