Foreign-Trade Zone (FTZ) 83— Huntsville, Alabama; Notification of Proposed Production Activity; Haier US Appliance Solutions, Inc. (Household Refrigerators); Decatur, Alabama

Haier US Appliance Solutions, Inc. (Haier) submitted a notification of proposed production activity to the FTZ Board for its facility in Decatur, Alabama. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 18, 2020.

Haier (previously approved as General Electric Company) already has authority to produce household refrigerators within Subzone 83D. The current request would add foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Haier from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Haier would be able to choose the duty rates during customs entry procedures that apply to household refrigerators (duty-free). Haier would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties

also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include: Cyclopentane; stainless steel blanks; iron and steel refrigerator handle mounts; iron and steel screws; rivets for axle wheels; steel pins; iron and steel retainer clips for compressors; aluminum hot stamping foil; aluminum logos/name plates; steel pin hinges; aluminum wire forms; rubber evaporator fan grommets; steel nutstrip hinges; plastic control knobs; plastic door stops; icemaker receptacle covers; refrigerator bifurcated dryers; refrigerator dryers for sealed systems; capacitors; overload positive temperature coefficient resistor combos; light bulbs; defrost heaters with harness; and, timers (duty rate ranges from duty free to 6.2%). The request indicates that certain materials/components are subject to duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) or Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 232 and Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: *ftz@trade.gov*. The closing period for their receipt is August 10, 2020.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via *www.trade.gov/ftz*.

For further information, contact Diane Finver at *Diane.Finver@trade.gov* or (202) 482-1367.

Dated: June 23, 2020.

Foreign-Trade Zone (FTZ) 22— Chicago, Illinois; Notification of Proposed Production Activity; Volflex, Inc. (Flexible Packaging), Mokena, Illinois

The Illinois International Port District, grantee of FTZ 22, submitted a notification of proposed production activity to the FTZ Board on behalf of Volflex, Inc. (Volflex), located in Mokena, Illinois. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 22, 2020.

The grantee has submitted a separate application for FTZ designation at the company's facility under FTZ 22. The facility is used for the production of flexible packaging in the form of aluminum laminated products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status material/component and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Volflex from customs duty payments on the foreign-status material/component used in export production. On its domestic sales, for the foreign-status material/component noted below, Volflex would be able to choose the duty rates during customs entry procedures that apply to aluminum radiant barriers, food wrap, and bag stock (duty rate ranges from duty-free to 5.7%). Volflex would be

able to avoid duty on foreign-status material which becomes scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The material/component sourced from abroad is aluminum foil (duty rate 5.8%). The request indicates that aluminum foil is subject to an antidumping/countervailing duty (AD/CVD) order if imported from the People's Republic of China. The FTZ Board's regulations (15 CFR 400.14(e)) require that merchandise subject to AD/CVD orders, or items which would be otherwise subject to suspension of liquidation under AD/CVD procedures if they entered U.S. customs territory, be admitted to the zone in privileged foreign status (19 CFR 146.41). The request also indicates that aluminum foil may be subject to duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) or Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 232 and Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is August 10, 2020.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

Foreign-Trade Zone (FTZ) 82—Mobile, Alabama Notification of Proposed Production Activity MH Wirth, Inc. (Offshore Drilling Riser Systems); Theodore, Alabama

The City of Mobile, Alabama, grantee of FTZ 82, submitted a notification of proposed production activity to the FTZ Board on behalf of MH Wirth, Inc. (MH Wirth), located in Theodore, Alabama. The notification conforming to the

requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 16, 2020.

MH Wirth already has authority to produce and repair offshore drilling riser systems within FTZ 82. The current request would add foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt MH Wirth from customs duty payments on the foreign-status materials/components used in export production (all of expanded production). On its domestic sales, for the foreign-status materials/components noted below MH Wirth would be able to choose the duty rate during customs entry procedures that applies to offshore drilling riser systems (risers, telescopic joints, test equipment and tools) (duty free). MH Wirth would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include welded carbon/seamless carbon/stainless steel drilling riser pipe (duty free). The request indicates that welded carbon steel riser pipe is subject to an antidumping/countervailing duty (AD/CVD) order if imported from certain countries. The FTZ Board's regulations (15 CFR 400.14(e)) require that merchandise subject to AD/CVD orders, or items which would be otherwise subject to suspension of liquidation under AD/CVD procedures if they entered U.S. customs territory, be admitted to the zone in privileged foreign status (19 CFR 146.41). The request also indicates that certain materials/components are subject to duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) or Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. Prestressed Concrete Steel Wire Strand From Brazil, India, Japan, Mexico, Republic of Korea and Thailand: Final Results of Expedited Sunset Reviews of Antidumping Duty Finding and Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these sunset reviews, the Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) finding on prestressed concrete steel wire strand (PC Strand) from Japan and AD orders on PC Strand from Brazil, India, Mexico, Republic of Korea (Korea), and Thailand would be likely to lead to a continuation or recurrence of dumping, at the levels identified in the "Final Results of Sunset Reviews" section of this notice.

DATES: Applicable June 30, 2020.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Samantha Kinney, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1766 or (202) 482-2285, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 8, 1978 and January 28, 2004, Commerce published in the **Federal Register** notices of the AD finding on PC Strand from Japan and of the AD orders on PC Strand from Brazil, India, Mexico, Korea, and Thailand, respectively.¹ On March 2, 2020,
