Submission for OMB Review; Comment Request

AGENCY: Office of the Secretary of the Air Force, Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The Department of Defense has submitted to OMB for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by July 30, 2020.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Air Force Recruiting Information Support System—Total Force (AFRISS-TF); OMB Control Number 0701-0150.

Type of Request: Renewal with Change.

Number of Respondents: 100,000.

Responses per Respondent: 1.

Annual Responses: 100,000.

Average Burden per Response: 15 minutes.

Annual Burden Hours: 25,000 hours.

Needs and Uses: Recruiting requires the collection of specific information on prospective Air Force, Air National Guard, and Air Force Reserve Command enlistees, officers, and health profession personnel entering into duty. The information is used to create the initial personnel record that is used to prescreen and qualify enlistees, line officers, and health professionals fit for service and ultimately induction into one of the three Air Force commands. The information is also collected to process security clearances for those individuals requiring clearances for sensitive and classified positions. The respondents are recruiting applicants of the Air Force who may seek more information or request copies of their personal information. The collection

instrument is a list of questions asked by the recruiter that cannot be found on the SF-86; information taken from the SF-86 can complete the rest of the recruit's application. Collections instruments are completed by applicants and recruiters into the system of record as applicable to their recruiting and application purposes. All completed instruments of collection reside in the system of record which has safeguards in place to protect privacy information. The end result of a successful information collection is the successful accession of an applicant in the Air Force and the safe keeping of said applicant's personal information.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Ms. Jasmeet Seehra.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Air Force Safety Automated System; AF Form 978; OMB Control Number 0701–XXXX.

Type of Request: New Collection.

Number of Respondents: 200.

Responses per Respondent: 1.

Annual Responses: 200.

Average Burden per Response: 1 hour.

Annual Burden Hours: 200.

Needs and Uses: The Air Force, in accordance with stated policy above, collects mishap and safety-related information via AF Form 978, Supervisor Mishap/Incident Report or direct input into the AFSAS, via the Mishap Worksheet, by an assigned investigator. If an investigator uses the AF Form 978, that information will be manually input into the AFSAS once completed. Information will be collected in the AFSAS from individuals (respondents) who were injured or directly involved in the Mishap, or were an eye witness to the Mishap. On the top of each collection instrument, the OMB control number and expiration date, as well as our privacy act statement are documented for review by respondents. Respondents do not have direct access to the AFSAS or collected information.

Information collected in the AFSAS is utilized directly by assigned Safety Managers and Investigators, to evaluate mishap events for prevention analysis. Each organization staff will compare the information against DoD standards to determine if safety is enforced and to evaluate the safety profile of their organization. Included will be specific recommendations for risk mitigation/reduction in order to preserve assets and save lives. The Air Force Safety Program addresses the maintenance of safe and healthful conditions in the workplace or

the occupational environment. It is applicable to all Air Force civilian and military personnel and operations, aviation or occupational functions.

Affected Public: Business or other for-profit; individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Ms. Jasmeet Seehra.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Corps Water Infrastructure Financing Program (CWIFP) Preliminary Application and Application; OMB Control Number 0710–XXXX.

Type of Request: New.

Number of Respondents: 15.

Responses per Respondent: 1.

Annual Responses: 15.

Average Burden per Response: 3.33 hours.

Annual Burden Hours: 50.

Needs and Uses: The Preliminary Application information collection requirement is necessary to (1) validate the eligibility of the prospective borrower and the proposed project, (2) perform a preliminary creditworthiness assessment, (3) perform a preliminary engineering and environmental feasibility assessment, and (4) evaluate the project against the selection criteria and identify which projects U.S. Army Corps of Engineers (USACE) will invite to submit applications. The Preliminary Application addresses the CWIFP eligibility criteria, CWIFP selection criteria, and identifies other specific information that must be provided to USACE to be considered for credit assistance. The Preliminary Application provides USACE with sufficient information to make a project selection and invite prospective borrowers to submit applications. Based on evaluation of the Preliminary Application, USACE will invite to submit an Application only those eligible projects that it expects to proceed to closing. Only those entities who are invited by USACE to submit an Application should proceed with the Application process. The Application provides USACE with information to assess the creditworthiness of both the applicant and project, identify the project's engineering and financial risk, negotiate the terms and conditions of the credit assistance, and calculate the amount of budget authority that will be needed to fund the project(s).

Affected Public: Individuals or households.
