

the POR.³ No other party requested an administrative review of the *Order*. On January 17, 2020, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), Commerce published in the **Federal Register** a notice of initiation of an administrative review.⁴ On March 5, 2020, Commerce issued its initial antidumping questionnaire to Golden Dragon.⁵ On April 8, 2020, Golden Dragon timely withdrew its request for an administrative review.⁶ On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, due to COVID-19.⁷

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, Golden Dragon withdrew its request by the 90-day deadline, and no other party requested an administrative review of the *Order* with respect to Golden Dragon. Therefore, we are rescinding the administrative review of the *Order* for the period November 1, 2018 through October 31, 2019, in its entirety.

Assessment

Commerce intends to instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of copper pipe and tube from China during the POR at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification To Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Uncovered Innerspring Units From the Socialist Republic of Vietnam: Preliminary Results of the Antidumping Duty Administrative Review; 2018–2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that the sole company subject to this administrative review is part of the Vietnam-wide entity because it did not file a separate rate application (SRA). The period of review (POR) is December 1, 2018 through November 31, 2019. We invite interested parties to comment on these preliminary results.

DATES: Applicable July 1, 2020.

FOR FURTHER INFORMATION CONTACT: Shanah Lee, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–6386.

SUPPLEMENTARY INFORMATION:

Background

On December 6, 2019, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on uncovered innerspring units from the Socialist Republic of Vietnam (Vietnam).¹ In response, on December 31, 2019, Leggett & Platt, Incorporated (the petitioner) requested a review of one company, Angkor Spring Co., Ltd. (Angkor Spring).² Commerce initiated a review of this company on February 6, 2020.³ The deadline for interested parties to submit an SRA or separate rate certification (SRC) was March 9, 2020.⁴ No party submitted an SRA or an SRC. On March 26, 2020, Commerce placed U.S. Customs and Border Protection (CBP) data on the record of this review demonstrating that there were no entries of subject merchandise during the POR.⁵ We asked interested parties to file comments on this data by April 2, 2020. The petitioner submitted comments on the CBP data on April 2, 2020.⁶

Scope of the Order

The merchandise subject to this order is uncovered innerspring units composed of a series of individual metal springs joined together in sizes corresponding to the sizes of adult mattresses (e.g., twin, twin long, full, full long, queen, California king and

⁴ SRAs and SRCs were due thirty days from the publication of Commerce's *Initiation Notice*. In this administrative review, the deadline was March 7, 2020, a Saturday. Because the deadline fell on a weekend, according to Commerce's "Next Business Day" rule, the deadline was moved forward to the next business day, Monday, March 9, 2020. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

king) and units used in small constructions, such as crib and youth mattresses. All uncovered innerspring units are included in the scope regardless of width and length. Including within this definition are innersprings typically ranging from 30.5 inches to 76 inches in width and 68 inches to 84 inches in length. Innerspring for crib mattresses typically range from 25 inches to 27 inches in width and 50 inches to 52 inches in length.

Uncovered innerspring units are suitable for use as the innerspring component in the manufacture of innerspring mattresses, including mattresses that incorporate a foam encasement around the innerspring.

Pocketed and non-pocketed innerspring units are included in this definition. Non-pocketed innersprings are typically joined together with helical wire and border rods. Non-pocketed innersprings are included in this definition regardless of whether they have border rods attached to the perimeter of the innerspring. Pocketed innersprings are individual coils covered by a “pocket” or “sock” of a nonwoven synthetic material or woven material and then glued together in a linear fashion.

Uncovered innersprings are classified under subheading 9404.29.9010 and have also been classified under subheadings 9404.10.0000, 9404.29.9005, 9404.29.9011, 7326.20.0070, 7326.20.0090, 7320.20.5010, 7320.90.5010, or 7326.20.0071 of the Harmonized Tariff Schedule of the United States (HTSUS).⁷ The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of the order is dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Preliminary Results of Review

Angkor Spring, the sole company subject to this review, did not file an SRA. Thus, Commerce preliminarily determines that this company has not demonstrated its eligibility for separate rate status. As such, Commerce preliminarily determines that the company subject to this review is part of the Vietnam-wide entity. In addition,

Commerce no longer considers the non-market economy (NME) entity as an exporter conditionally subject to an antidumping duty administrative review.⁸ Accordingly, the NME entity will not be under review unless Commerce specifically receives a request for, or self-initiates, a review of the NME entity. In this administrative review, no party requested a review of the Vietnam-wide entity. Moreover, we have not self-initiated a review of the Vietnam-wide entity. Because no review of the Vietnam-wide entity is being conducted, the Vietnam-wide entity's entries are not subject to the review, and the rate applicable to the NME entity is not subject to change as a result of this review. The Vietnam-wide entity rate is 116.31 percent.⁹

Public Comment

Interested parties are invited to comment on the preliminary results and may submit case briefs and/or written comments, filed electronically via Enforcement and Compliance's Antidumping Duty and Countervailing Duty Centralized Electronic Service System (ACCESS), within 30 days after the date of publication of these preliminary results of review.¹⁰ ACCESS is available to registered users at <https://access.trade.gov>. Rebuttal briefs, limited to issues raised in the case briefs, must be filed within seven days after the time limit for filing case briefs.¹¹ Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument a statement of the issue, a brief summary of the argument, and a table of authorities.¹² Note that Commerce has temporarily modified certain portions of its requirements for serving documents containing business proprietary information, until July 17, 2020, unless extended.¹³

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to Commerce within 30 days of the date of publication of this notice.¹⁴ Requests should contain: (1) The party's name, address, the telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held.¹⁵ Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP will assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.¹⁶ We intend to instruct CBP to liquidate entries containing subject merchandise exported by the company under review that we determine in the final results to be part of the Vietnam-wide entity at the Vietnam-wide entity rate of 116.31 percent. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review in the **Federal Register**.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For companies that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Vietnamese or non-Vietnamese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash

⁷ Based on a recommendation by CBP, on September 15, 2017, Commerce added HTS 7326.20.0090 to the scope. See Memorandum, “Request from Customs and Border Protection to Update the ACE AD/CVD Case Reference File,” dated September 15, 2017 (Barcode 3622582–01).

deposit rate will continue to be the existing exporter-specific rate; (3) for all Vietnamese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the Vietnam-wide entity (*i.e.*, 116.31 percent); and (4) for all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter that supplied that non-Vietnamese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 315.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).
