

when there is no review requested of the NME entity, Commerce will instruct CBP to liquidate entries for all exporters not named in the initiation notice, including those that were suspended at the NME entity rate.

All requests must be filed electronically in Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) on Enforcement and Compliance's ACCESS website at <https://access.trade.gov>.<sup>6</sup> Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on the petitioner and each exporter or producer specified in the request. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until July 17, 2020, unless extended.<sup>7</sup>

Commerce will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of July 2020. If Commerce does not receive, by the last day of July 2020, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, Commerce will instruct CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period of the order, if such a gap period is applicable to the period of review.

This notice is not required by statute but is published as a service to the international trading community.

#### **Emulsion Styrene-Butadiene Rubber From the Republic of Korea: Preliminary Results of the Administrative Review of the Antidumping Duty Order; 2018-2019**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily finds that sales of emulsion styrene butadiene rubber (ESB rubber) from the Republic of Korea (Korea) were made at less than normal value during the period of review (POR) September 1, 2018 through August 31, 2019. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable July 1, 2020.

**FOR FURTHER INFORMATION CONTACT:** Eliza Siordia, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3878.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

On November 12, 2019, Commerce initiated the administrative review of the antidumping duty order on ESB rubber from Korea in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).<sup>1</sup> This review covers seven producers/exporters of subject merchandise.<sup>2</sup> On December 13, 2019, Commerce selected LG Chem, Ltd. (LG Chem) as the sole mandatory respondent for this review.<sup>3</sup> On January 13, 2020, LG Chem notified Commerce that it would not participate in this administrative review.<sup>4</sup>

<sup>1</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 61011 (November 12, 2019).

<sup>2</sup> *Id.*, 84 FR 61014.

<sup>3</sup> See Memorandum, "Administrative Review of the Antidumping Duty Order of Emulsion Styrene-Butadiene Rubber from the Republic of Korea: Respondent Selection," dated December 13, 2019.

<sup>4</sup> See LG Chem's Letter, "Emulsion Styrene-Butadiene Rubber (ESBR) from Korea: LG Chem's Decision to Stop Participating in AD Review," dated January 13, 2020.

On April 24, 2020, Commerce tolled deadlines in all administrative reviews by 50 days, thereby extending the deadline for these results until July 21, 2020.<sup>5</sup> For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.<sup>6</sup>

#### **Scope of the Order**

The product covered by this order is emulsion styrene-butadiene rubber from Korea. For a full description of the scope, see the Preliminary Decision Memorandum.

#### **Methodology**

Commerce is conducting this review in accordance with section 751(a) of the Act. Pursuant to section 776(a) and (b) of the Act, Commerce has preliminarily relied upon facts otherwise available with adverse inferences (AFA) for LG Chem, because this respondent notified Commerce that it would not participate in the review.

For a full description of the methodology and analysis underlying the preliminary application of AFA, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

#### **Rates for Non-Selected Companies**

In accordance with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle*,<sup>7</sup> we are applying a rate based on the rate preliminarily applied to LG Chem in this administrative review (*i.e.*, 44.30 percent) to the companies not selected

<sup>5</sup> See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews in Response to Operational Adjustments Due to COVID-19," dated April 24, 2020.

<sup>6</sup> See Memorandum, "Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order: Emulsion Styrene-Butadiene Rubber from the Republic of Korea; 2018-2019," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

<sup>7</sup> See *Albemarle Corp. v. United States*, 821 F. 3d 1345 (Fed. Cir. 2016) (*Albemarle*).

for individual examination. This is the only rate determined in this review for an individual respondent, and thus, it is appropriate to apply this rate to the non-selected companies under section 735(c)(5)(B) of the Act. For a detailed discussion, see the Preliminary Decision Memorandum.

### Preliminary Results of the Review

We preliminarily determine that the following weighted-average dumping margin exists for the period September 1, 2018 through August 31, 2019:

Exporter/producer	Dumping margin (percent)
LG Chem Ltd .....	44.30
Daewoo International Corpora- tion .....	44.30
Hyundai Glovis Co .....	44.30
Kukje Trading Corp .....	44.30
Kumho Petrochemical Co. Ltd ...	44.30
Sungsan International Co., Ltd ...	44.30
WE International Co., Ltd .....	44.30

### Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>8</sup> The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>9</sup> If the preliminary results are unchanged for the final results, we will instruct CBP to apply an *ad valorem* assessment rate of 44.30 percent to all entries of subject merchandise during the POR from LG Chem and the companies which were not selected for individual examination.

We intend to issue liquidation instructions to CBP 15 days after the publication date of the final results of this review.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be equal to the dumping margin established in the final results of this review; (2) for

previously-investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 9.66 percent, the all-others rate established in the LTFV investigation.<sup>10</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

### Disclosure and Public Comment

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, there are no calculations to disclose here because, in accordance with section 776 of the Act, Commerce preliminarily applied AFA to LG Chem, the only mandatory respondent subject to this review.<sup>11</sup>

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.<sup>12</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.<sup>13</sup> Case and rebuttal briefs should be filed using ACCESS.<sup>14</sup> Note that Commerce has modified certain of its requirements for serving documents containing business

proprietary information, until July 17, 2020, unless extended.<sup>15</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety through Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.

### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: June 25, 2020.

Assistant Secretary for Enforcement and Compliance.
