On January 2, 2020, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on potassium permanganate from China.¹ On March

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity*

10, 2020, pursuant to a request from Pacific Accelerator Limited (PAL) and its affiliate Chongqing Changyuan Group Limited (Changyuan),² Commerce initiated an administrative review with respect to PAL and Changyuan, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).³ On June 9, 2020, PAL and Changyuan timely withdrew their request for an administrative review.⁴ No other party requested an administrative review of these companies.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation. PAL and Changyuan timely withdrew their review request. No other party requested an administrative review of the order for this POR. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of potassium permanganate from China during the POR. Antidumping duties shall be assessed at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission notice of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3).
