**Agenda:** The U.S. Election Assistance Commission (EAC) Standards Board will hold their 2020 Annual Meeting primarily to discuss the proposed VVSG 2.0 Requirements. This meeting will include a question and answer discussion between board members. Staff from NIST and the EAC will be available to answer questions, and provide information on the VVSG process and the proposed VVSG 2.0 Requirements.

Board members will also review FACA Board membership guidelines and policies with EAC Associate Counsel and receive a general update about the EAC from the Executive Director. The Board will also elect a new member to the Executive Board Committee and consider amendments to the Bylaws.

**Background:** The VVSG 2.0 Requirements were published for a 90-day public comment period that concluded on June 22, 2020. A recording of the hearing is available on the EAC’s website. The second public hearing on May 6, 2020 addressed the importance of VVSG 2.0 at the state and local level, and the consideration of accessibility and security in VVSG 2.0. Upon adoption, the VVSG 2.0 would become the fifth iteration of national level voting system standards. The Federal Election Commission published the first two sets of federal standards in 1990 and 2002. The EAC then adopted Version 1.0 of the VVSG on December 13, 2005. In an effort to update and improve version 1.0 of the VVSG, on March 31, 2015, the EAC commissioners unanimously approved VVSG 1.1.
