SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89175; File No. SR-NYSEAMER-2020-20]

Self-Regulatory Organizations; NYSE National, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Temporary Waiver of the Co-location Hot Hands Fee

June 29, 2020.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the

“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on June 17, 2020, NYSE National, Inc. (“NYSE National” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the temporary waiver of the co-location “Hot Hands” fee. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend of the temporary waiver of the co-location⁴ “Hot Hands” fee through the earlier of August 31, 2020 and the reopening of the Mahwah, New Jersey data center (“Data Center”). The waiver of the Hot Hands fee is scheduled to expire on June 30, 2020.⁵

The Exchange is an indirect subsidiary of Intercontinental Exchange,

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

⁴ The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission (“Commission”) in May 2018. See Securities Exchange Act Release No. 83351 (May 31, 2018), 83 FR 26314 (June 6, 2018) (SR-NYSEAMER-2018-07).

⁵ See Securities Exchange Act Release No. 88958 (May 27, 2020), 85 FR 33764 (June 2, 2020) (SR-NYSEAMER-2020-18).

¹⁶ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

Inc. (“ICE”). Through its ICE Data Services (“IDS”) business, ICE operates the Data Center, from which the Exchange provides co-location services to Users.⁶ Among those services is a “Hot Hands” service, which allows Users to use on-site Data Center personnel to maintain User equipment, support network troubleshooting, rack and stack a server in a User’s cabinet; power recycling; and install and document the fitting of cable in a User’s cabinet(s).⁷ The Hot Hands fee is \$100 per half hour.

ICE previously announced to Users that the Data Center would be closed to third parties starting on March 16, 2020, to help avoid the spread of COVID-19, which could negatively impact Data Center functions. Prior to the closure of the Data Center, the Chief Executive Officer of the Exchange took the actions required under NYSE National Rule 7.1 to close the co-location facility of the Exchange to third parties. The closure period was extended twice, through June 30, 2020 (the “Initial Closure”).⁸

ICE has announced to Users that, because the concerns that led to the Initial Closure still apply, the closure of the Data Center will be extended, with the date of the reopening announced through a customer notice.

If a User’s equipment requires work while a Rule 7.1 closure is in effect, the User has to use the Hot Hands service and, absent a waiver, incurs Hot Hands fees for the work. Given that, the Exchange waived all Hot Hands fees for the duration of the Initial Closure.⁹ Because the period has been extended, the Exchange proposes to extend the waiver of the Hot Hands Fee for the length of the period. To that end, the Exchange proposes to revise the footnote to the Hot Hands Fee in the

Price List as follows (deletions bracketed, additions italicized):

† Fees for Hot Hands Services will be waived beginning on March 16, 2020 through the earlier of [June 30] *August 31*, 2020 and the reopening of the Mahwah, New Jersey data center.

The Exchange believes that there will be sufficient Data Center staff on-site to comply with User requests for Hot Hands service.

The proposed extension of the waiver would apply equally to all Users. The proposed extension of the fee waiver would not apply differently to distinct types or sizes of market participants. Rather, it would continue to apply uniformly to all Users.

The proposed change is not otherwise intended to address any other issues relating to co-location services and/or related fees, and the Exchange is not aware of any problems that Users would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,¹¹ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers. In addition, it is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, to protect investors and the public interest and because it is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Proposed Rule Change is Reasonable

The Exchange believes that the proposed rule change is reasonable for the following reasons.

Given that the closure of the Data Center has been extended, the Exchange believes that it is reasonable to grant the proposed corresponding extension of the waiver of the Hot Hands Fee. While a Rule 7.1 closure is in effect, User representatives are not allowed access to the Data Center. If a User’s equipment

requires work during such period, the User has to use the Hot Hands service. Absent a waiver, the User would incur Hot Hands fees for the work.

The proposed extension of the waiver would allow a User to have work carried out on its equipment notwithstanding the closure of the Data Center without incurring Hot Hands fees.

The Proposed Rule Change is Equitable

The Exchange believes the proposed rule change is an equitable allocation of its fees and credits for the following reasons.

The proposed extension of the waiver would apply equally to all Users. The proposed extension would not apply differently to distinct types or sizes of market participants. Rather, it would apply uniformly to all Users.

The Exchange believes that the proposal is equitable because the extension of the waiver would mean that for the duration of the closure of the Data Center all similarly-situated Users would not be charged a fee to use the Hot Hands service.

The Proposed Change is Not Unfairly Discriminatory and Would Protect Investors and the Public Interest

The Exchange believes that the proposed change is not unfairly discriminatory for the following reasons.

The proposed extension of the waiver would not apply differently to distinct types or sizes of market participants. Rather, all Users whose equipment requires work during the extension of the Data Center closure would have the resulting fees waived, and the extension of the waiver would apply uniformly to all Users during the period. For the reasons above, the proposed changes do not unfairly discriminate between or among market participants.

In addition, the Exchange believes that the proposed rule change would perfect the mechanisms of a free and open market and a national market system and, in general, protect investors and the public interest because it would allow a User to have work carried out on its equipment notwithstanding a Rule 7.1 closure without incurring Hot Hands fees. Accordingly, the Exchange believes that the requested extension of the waiver is designed to perfect the mechanisms of a free and open market and a national market system and, in general, protect investors and the public interest by facilitating the uninterrupted availability of Users’ equipment.

For all of the above reasons, the Exchange believes that the proposal is consistent with the Act.

⁶ For purposes of the Exchange’s co-location services, a “User” means any market participant that requests to receive co-location services directly from the Exchange. See 83 FR 26314, *supra* note 4, at note 9. As specified in the Exchange’s Price List, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange’s affiliates the New York Stock Exchange LLC, NYSE American LLC, NYSE Arca, Inc., and NYSE Chicago, Inc. (together, the “Affiliate SROs”). See *id.* at note 11. Each Affiliate SRO has submitted substantially the same proposed rule change to propose the changes described herein. See SR-NYSE-2020-53, SR-NYSEMer-2020-46, SR-NYSEArca-2020-20, and SR-NYSECHX-2020-19.

¹¹ 15 U.S.C. 78f(b)(4) and (5).

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹² the Exchange believes that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Intramarket Competition

The Exchange does not believe that the proposed change would place any burden on intramarket competition that is not necessary or appropriate.

The proposed extension of the waiver is not designed to affect competition, but rather to provide relief to Users that, while a Rule 7.1 closure is in effect, have no option but to use the Hot Hands service.

The proposed extension of the waiver would not apply differently to distinct types or sizes of market participants. Rather, all Users whose equipment requires work during the extension of the Data Center closure would have the resulting fees waived, and the extension of the waiver would apply uniformly to all Users during the period.

Intermarket Competition

The Exchange does not believe that the proposed change would impose any burden on intermarket competition that is not necessary or appropriate.

The Exchange believes that the proposed change would not affect the competitive landscape among the national securities exchanges, as the Hot Hands service is solely charged within co-location to existing Users, and would be temporary.

For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹³ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁴ thereunder, because it establishes a due,

fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

June 29, 2020.

I. Introduction

Section 17(h) was added to the Securities Exchange Act of 1934 ("Exchange Act") to address the concern that financial problems of a broker-dealer's affiliate could cause the broker-dealer to fail or experience significant financial difficulties.¹ The Securities and Exchange Commission ("Commission") adopted Rules 17h-1T and 17h-2T under Section 17(h) of the Exchange Act.² As discussed below, these rules contain provisions that exempt certain broker-dealers from the requirements of the rules. This order exempts from the requirements of the rules broker-dealers that do not hold funds or securities for, or owe money or securities to, customers and do not carry customer accounts, or that are exempt from Rule 15c3-3 pursuant to paragraph (k)(2) of that rule, and that maintain total assets of less than \$1 billion and capital, including debt subordinated in
