

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019. FAA Order 7400.11D is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11D lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 amends the Class E airspace extending upward from 700 feet above the surface to within a 6.6-mile (decreased from a 7.1-mile) radius of the Sedalia Regional Airport, Sedalia, MO; updates the name of the Sedalia Regional Airport (previously Sedalia Memorial Airport) to coincide with the FAA's aeronautical database; and removes the Sedalia NDB and associated extension from the airspace legal description.

This action is the result of an airspace review due to the decommissioning of the Sedalia NDB which provided navigation information to the instrument procedures at this airport.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental

Impacts: Policies and Procedures," paragraph 5–6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

- 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

- 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

* * * * *

ACE MO E5 Sedalia, MO [Amended]

Sedalia Regional Airport, MO
(Lat. 38°42'27" N, long. 93°10'33" W)

That airspace extending upward from 700 feet above the surface within a 6.6-mile radius of Sedalia Regional Airport.

Issued in Fort Worth, Texas, on July 6, 2020.

Steven T. Phillips,

BILLING CODE 4910–13–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA–2020–0355; Airspace
Docket No. 20–AGL–18]

RIN 2120–AA66

Amendment of Class D and Class E Airspace; Jackson and Lakeview, MI

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends the Class D airspace and Class E airspace extending upward from 700 feet above the surface at Jackson County Airport-Reynolds Field, Jackson, MI, and the Class E airspace extending upward from 700 feet above the surface at Lakeview Airport-Griffith Field, Lakeview, MI. This action as the result of airspace reviews caused by the decommissioning of the Jackson and Muskegon VHF omnidirectional range (VOR) navigation aids as part of the VOR Minimum Operational Network (MON) Program. The geographic coordinates and names of the airports are also being updated to coincide with the FAA's aeronautical database.

DATES: Effective 0901 UTC, September 10, 2020. The Director of the Federal Register approves this incorporation by reference action under Title 1 Code of Federal Regulations part 51, subject to the annual revision of FAA Order 7400.11 and publication of conforming amendments.

ADDRESSES: FAA Order 7400.11D, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at https://www.faa.gov/air_traffic/publications/. For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267–8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11D at NARA, email fedreg.legal@nara.gov or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

FOR FURTHER INFORMATION CONTACT: Jeffrey Claypool, Federal Aviation Administration, Operations Support Group, Central Service Center, 10101 Hillwood Parkway, Fort Worth, TX 76177; telephone (817) 222–5711.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use

of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends the Class D airspace and Class E airspace extending upward from 700 feet above the surface at Jackson County Airport-Reynolds Field, Jackson, MI, and the Class E airspace extending upward from 700 feet above the surface at Lakeview Airport-Griffith Field, Lakeview, MI, to support instrument flight rule operations at these airports.

History

The FAA published a notice of proposed rulemaking in the **Federal Register** (85 FR 28523; May 13, 2020) for Docket No. FAA-2020-0355 to amend the Class D airspace and Class E airspace extending upward from 700 feet above the surface at Jackson County Airport-Reynolds Field, Jackson, MI, and the Class E airspace extending upward from 700 feet above the surface at Lakeview Airport-Griffith Field, Lakeview, MI. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Class D and E airspace designations are published in paragraph 5000 and 6005, respectively, of FAA Order 7400.11D, dated August 8, 2019, and effective September 15, 2019, which is incorporated by reference in 14 CFR 71.1. The Class D and E airspace designations listed in this document will be published subsequently in the Order.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019. FAA Order 7400.11D is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11D lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to Title 14 Code of Federal Regulations (14 CFR) part 71: Amends the Class D airspace at Jackson County Airport-Reynolds Field, Jackson, MI, by updating the geographic coordinates of the airport to coincide with the FAA's aeronautical database; and replacing the outdated term "Airport/Facility Directory" with "Chart Supplement";

Amends the Class E airspace extending upward from 700 feet above

the surface within a 6.5-mile (decreased from a 7-mile) radius of Jackson County Airport-Reynolds Field (previously the Jackson VOR/DME); updates the name and geographic coordinates of the airport to coincide with the FAA's aeronautical database; and removes the Jackson VOR/DME from the airspace legal description;

And amends the Class E airspace extending upward from 700 feet above the surface within a 6.3-mile radius (decreased from a 7.6-mile radius) of Lakeview Airport-Griffith Field, Lakeview, MI; and updates the geographic coordinates of the airport to coincide with the FAA's aeronautical database.

This action is the result of airspace reviews caused by the decommissioning of the Jackson and Muskegon VORs, which provided navigation information for the instrument procedures these airports, as part of the VOR MON Program.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5-6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

- 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

- 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019, is amended as follows:

Paragraph 5000 Class D Airspace.

* * * * *

AGL MI D Jackson, MI [Amended]

Jackson County Airport-Reynolds Field, MI
(Lat. 42°15'38" N, long. 84°27'44" W)

That airspace extending upward from the surface to and including 3,500 feet MSL within a 4-mile radius of Jackson County Airport-Reynolds Field. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

* * * * *

AGL MI E5 Jackson, MI [Amended]

Jackson County Airport-Reynolds Field,
Jackson, MI
(Lat. 42°15'38" N, long. 84°27'44" W)

That airspace extending upward from 700 feet above the surface within a 6.5-mile radius of the Jackson County Airport-Reynolds Field.

* * * * *

AGL MI E5 Lakeview, MI [Amended]

Lakeview Airport-Griffith Field, MI
(Lat. 43°27'08" N, long. 85°15'53" W)

That airspace extending upward from 700 feet above the surface within a 6.3-mile radius of the Lakeview Airport-Griffith Field.

Issued in Fort Worth, Texas, on July 6, 2020.

Steven T. Phillips,
