 Call for Public Comments:  
 In addition to the testimony collected  
 on Friday, July 17, 2020 via virtual  
 briefing, the Commission welcomes the  
 submission of material for consideration  
 as we prepare our report. Please submit  
 such information no later than Friday,  
 July 24, 2020, to *BrokenPromises@*  
*uscrr.gov* or OCRE/Public Comments,  
 U.S. Commission on Civil Rights, 1331  
 Pennsylvania Ave. NW, Suite 1150,  
 Washington, DC 20425. Please address  
 the following questions:
1. *Broken Promises* found that Native  
 Americans experience distinct health  
 disparities as compared to other  
 Americans which are compounded by  
 Native American healthcare programs  
 being chronically underfunded. How  
 has the outbreak of COVID-19 impacted  
 these health disparities?
  2. *Broken Promises* found that there is  
 a severe lack of affordable housing and  
 adequate physical infrastructure in  
 Indian Country. Due to a lack of federal  
 investment in affordable housing and  
 infrastructure such as roads, water,  
 sewer, and electricity, Native Americans  
 often find themselves living in  
 overcrowded housing without basic  
 utilities and infrastructure. What have  
 been the consequences of these  
 disparities in housing conditions and  
 access to infrastructure during the  
 outbreak of COVID-19?
  3. *Broken Promises* found that  
 telecommunications infrastructure,  
 especially wireless and broadband  
 internet services, is often inaccessible to  
 many Native Americans in Indian  
 Country. These services are necessary to  
 keep the community connected to  
 telehealth services, remote education,  
 economic development, and public  
 safety. Has this lack of  
 telecommunications created additional  
 barriers for Native Americans in coping  
 with and reacting to the pandemic?
  4. Have the congressional responses to  
 the pandemic—especially the passage of

the CARES Act and other stimulus  
 packages—done enough to help Native  
 people with the challenges posed by  
 COVID-19?

5. Has the Executive Branch's  
 responses to the pandemic—including  
 its statutory interpretation and  
 administrative implementation of laws  
 passed by Congress—done enough to  
 help Native peoples cope with the  
 challenges passed by Congress?

6. What recommendations should the  
 Commission make to Congress and the  
 federal government to ensure that  
 Native American communities can  
 address the coronavirus pandemic?
