Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Automated Clearinghouse.

OMB Number: 1651-0078.

Form Number: CBP Form 400.

Current Actions: Extension.

Type of Review: Extension without change.

Affected Public: Companies enrolled in the Automated Broker Interface (ABI).

Abstract: The Automated Clearinghouse (ACH) allows participants in the Automated Broker Interface (ABI) to transmit daily statements, deferred tax, and bill payments electronically through a financial institution directly to a CBP account. ACH debit allows the payer to exercise more control over the payment process. In order to participate in ACH debit, filers must complete CBP Form 400, *ACH Application*. Participants also use this form to notify CBP of changes to bank information or contact information. The ACH procedure is
