SUPPLEMENTARY INFORMATION:

Background

The 2019 Appropriations Act, signed into law on February 15, 2019, made available \$25 million to carry out an HCV mobility demonstration (see paragraph (8)) under the heading "Tenant-Based Rental Assistance"). The 2020 Appropriations Act, signed into law on December 20, 2019, made an additional \$25 million available for the demonstration. Of these amounts, up to \$10 million is for incremental voucher assistance under Section 8 of the United States Housing Act of 1937 ("the 1937 Act") (42 U.S.C. 1437f(o)), with the remainder of funding being available for mobility-related services. The 2019 Appropriations Act also makes available \$3 million under a separate heading for a research evaluation.

Incremental voucher assistance for the HCV Mobility Demonstration Vouchers (MDVs) and mobility-related services made available under this notice must only be provided to families with children.

The primary purposes of the demonstration are to provide voucher assistance and mobility-related services to families with children to encourage such families to move to lower-poverty areas, to expand their access to opportunity areas, and to evaluate the effectiveness of the strategies pursued under the demonstration.

The 2019 Appropriations Act authorizes the HUD Secretary to waive or specify alternative requirements for certain portions of Section 8 of the 1937 Act in order to facilitate implementation and administration of the Regional Housing Mobility Plans (RHMPs) that are required of the demonstration-participating PHAs.

HUD must submit a report to Congress within five years after the implementation of the demonstration. The demonstration is effective until October 1, 2028. After October 1, 2028, vouchers will no longer be restricted to the purposes under which they were
