Tennessee Gas Pipeline Company, LLC, Southern Natural Gas Company, LLC; Notice of Revised Schedule for Environmental Review of the Evangeline Pass Expansion Project

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental assessment (EA) for Tennessee Gas Pipeline Company LLC's (Tennessee) and Southern Natural Gas Company LLC's (SNG) Evangeline Pass Expansion Project. The first notice of schedule, issued on April 3, 2020, identified July 27, 2020 as the EA issuance date. On April 13, 2020 and June 12, 2020, FERC staff requested additional environmental information to assist in its EA analysis regarding pile driving and associated noise and vibration impacts on aquatic species, including essential fish habitat and threatened and endangered species; floodplain development; and horizontal directional drilling. Tennessee filed a portion of the requested information on June 30, 2020 and stated that the additional information would be filed on July 14, 2020. To provide appropriate time to review and complete the analysis of the necessary supplemental information, Commission staff has revised the schedule for issuance of the EA, as described below.

Schedule for Environmental Review

Issuance of EA—August 24, 2020

90-day Federal Authorization Decision Deadline—November 23, 2020

If a schedule change becomes necessary, additional notice will be provided so that the relevant agencies are kept informed of the project's progress.
