Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On July 13, 2020, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of New Hampshire in the lawsuit entitled *United States of America v. City of Manchester, New Hampshire*, Civil Action No. 20-cv-762.

The United States’ Complaint alleges violations of the Clean Water Act and the City of Manchester’s National Pollutant Discharge Elimination System Permit. The claims arise from the City’s combined sewer overflows which have resulted in the discharge of pollutants from the City’s wastewater collection system. The Consent Decree calls for an approximately twenty year program of improvements which will result in the City eliminating or capturing for treatment 95% of the City’s annual wet weather combined sewage.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. City of Manchester*, D.J. Ref. No. 90-5-1-1-11620.
