**Emulsion Styrene-Butadiene Rubber From Mexico: Final Results of Antidumping Duty Administrative Review; 2017-2018**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) finds that the producer/exporter subject to this administrative review made sales of emulsion styrene-butadiene rubber (ESB rubber) from Mexico at less than normal value during the period of review (POR) February 24, 2017 through August 31, 2018.

**DATES:** Applicable July 17, 2020.

**FOR FURTHER INFORMATION CONTACT:** Javier Barrientos, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2243.

**SUPPLEMENTARY INFORMATION:**

**Background**

This review covers one producer/exporter of the subject merchandise: Industrias Negromex S.A. de C.V. (Negromex).

On November 15, 2018, we published our initiation of an administrative review of the antidumping duty order

on ESB rubber from Mexico.<sup>1</sup> On November 21, 2019, we published the *Preliminary Results* of this administrative review.<sup>2</sup> On January 6, 2020, Lion Elastomers LLC (the petitioner) submitted a case brief.<sup>3</sup> On January 13, 2020, Negromex submitted a rebuttal brief.<sup>4</sup>

On March 12, 2020, we extended the deadline for the final results of this review to May 19, 2020.<sup>5</sup> On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these final results to July 8, 2020.<sup>6</sup> Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

The merchandise covered by this order is cold-polymerized emulsion styrene-butadiene rubber.<sup>7</sup> The subject merchandise is currently classifiable under subheadings 4002.19.0015 and 4002.19.0019 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

**Analysis of Comments Received**

All issues raised by the parties in their case and rebuttal briefs are listed in the appendix to this notice and are addressed in the Issues and Decision Memorandum.<sup>8</sup> The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and

The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

**Changes to the Preliminary Results**

In the *Preliminary Results*, we found that Negromex was entitled to a constructed export price (CEP) offset.<sup>9</sup> After further review of the record and review of interested party comments, we find that a CEP offset is not warranted for Negromex.<sup>10</sup> Accordingly, we incorporated this change in the margin program.<sup>11</sup> For a discussion of the above-referenced change, see the "Changes to the Preliminary Results" section of the Issues and Decision Memorandum.

**Final Results of the Administrative Review**

The weighted-average dumping margin for the final results of this administrative review is as follows:

Exporter/producer	Weighted-average dumping margin (percent)
Industrias Negromex S.A. de C.V. ....	2.68

**Disclosure**

We will disclose to interested parties the calculations performed in connection with these final results within five days of the publication of this notice, consistent with 19 CFR 351.224(b).

**Assessment Rate**

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 212(b)(1), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

For Negromex, because its weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent), Commerce has calculated importer-specific antidumping duty assessment rates. We calculated importer-specific

antidumping duty assessment rates by aggregating the total amount of dumping calculated for the examined sales of each importer and dividing each of these amounts by the total sales value associated with those sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review where an importer-specific assessment rate is not zero or *de minimis*. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the importer-specific assessment rate is zero or *de minimis*.

Consistent with Commerce's assessment practice, for entries of subject merchandise during the POR produced by Negromex, for which Negromex did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>12</sup>

Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Negromex will be equal to the rate established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 19.52 percent, the all-others rate established

in the investigation.<sup>13</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

#### Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

#### Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: July 8, 2020.
