

Pursuant to its authority under section 5051 of Public Law 100–203, Nuclear Waste Policy Amendments Act (NWPAA) of 1987, the U.S. Nuclear Waste Technical Review Board will hold an online virtual public meeting on Monday, July 27, 2020, and Tuesday, July 28, 2020, to review information on U.S. Department of Energy (DOE) research and development (R&D) activities related to disposal in a geologic repository of commercial spent nuclear fuel (SNF) in dual-purpose canisters (DPCs), which are designed for storage and transportation but not for disposal.

The Board meeting replaces the April 29, 2020, Spring Meeting, which the Board postponed due to the Covid-19 pandemic. Details for viewing and participating in the virtual meeting will be available on the Board's website (www.nwtrb.gov) not later than one week before the meeting.

The meeting will begin on both days at 12:30 p.m. Eastern Daylight Time (EDT) and is scheduled to adjourn at 5:00 p.m. EDT on July 27 and at 4:30 p.m. EDT on July 28. Speakers representing the DOE Office of Nuclear Energy and the national laboratories will report on R&D projects related to the feasibility of disposing in a geologic repository the SNF stored in DPCs without repackaging the SNF into other canisters. Speakers will review past studies on the technical feasibility of disposal of SNF in DPCs, including the technical bases for the engineering feasibility and thermal management of DPC disposal. The Board will hear presentations on DOE's ongoing R&D activities. Speakers will address analysis of DPC reactivity, which is used in criticality calculations, criticality consequence analyses for the period after the repository closes, and the testing and analysis of using filler materials to fill the void spaces inside a DPC prior to disposal. A detailed meeting agenda will be available on the Board's website approximately one week before the meeting.

The meeting will be open to the public, and opportunities for public comment will be provided. Details on how to comment publicly during the meeting will be provided on the Board's website along with the details for viewing the meeting. A limit may be set on the time allowed for the presentation of individual remarks. However, written comments of any length may be submitted to the Board staff by mail or electronic mail. All comments received in writing will be included in the meeting record, which will be posted on the Board's website after the meeting. An archived recording of the meeting

will be available on the Board's website following the meeting. The transcript of the meeting will be available on the Board's website by September 28, 2020.

The Board was established in the Nuclear Waste Policy Amendments Act of 1987 as an independent federal agency in the Executive Branch to evaluate the technical and scientific validity of DOE activities related to the management and disposal of SNF and high-level radioactive waste, and to provide objective expert advice to Congress and the Secretary of Energy on these issues. Board members are experts in their fields and are appointed to the Board by the President from a list of candidates submitted by the National Academy of Sciences. The Board reports its findings, conclusions, and recommendations to Congress and the Secretary of Energy. All Board reports, correspondence, congressional testimony, and meeting transcripts and related materials are posted on the Board's website.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89312; File No. SR-CboeEDGX-2020-031]

Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating To Adopt Rules Regarding Off-Floor Transactions and Transfers

July 14, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 30, 2020, Cboe EDGX Exchange, Inc. (“Exchange” or “EDGX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX”) proposes to adopt rules regarding off-floor transactions and transfers. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (http://markets.cboe.com/us/equities/regulation/rule_filings/edgx/), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt new rules regarding off-floor transactions and transfers.

Prohibition on Off-Floor Transactions

Rules 19c-1 and 19c-3 under the Securities Exchange Act of 1934 (the “Act”) describe rule provisions that each national securities change must include in its Rules regarding the ability of members to engage in transactions off an exchange. While the Exchange’s rules, stated policies, and practices are consistent with these provisions of the Act, the Exchange Rules do not currently include these provisions. Therefore, the proposed rule change adopts these provisions in new Rule 20.9 in accordance with Rules 19c-1 and 19c-3 under the Act.⁵

Off-Floor Position Transfers

Today, the Exchange does not permit off-floor transfers of options positions and has no rule that specifically addresses off-floor transfers. The Exchange proposes to adopt Rule 20.10 to specify the limited circumstances under which a Member (“Member”) may effect transfers of their options positions without first exposing the order.⁶ This rule would permit market participants to move positions from one account to another without first exposure of the transaction on the Exchange. This Rule would permit transfers upon the occurrence of

significant, non-recurring events. This Rule states that a Member must be on at least one side of the transfer.

Specifically, proposed Rule 20.10(a) states:

Notwithstanding Rule 20.9, existing positions in options listed on the Exchange of a Member or of a Non-Member that are to be transferred on, from, or to the books of a Clearing Member may be transferred off the Exchange (an “off-floor transfer”) if the off-floor transfer involves one or more of the following events:

(1) An adjustment or transfer in connection with the correction of a bona fide error in the recording of a transaction or the transferring of a position to another account, provided that the original trade documentation confirms the error;

(2) the transfer of positions from one account to another account where no change in ownership is involved (*i.e.*, accounts of the same person (as defined in Rule 1.5)), provided the accounts are not in separate aggregation units or otherwise subject to information barrier or account segregation requirements;

(3) the consolidation of accounts where no change in ownership is involved;

(4) a merger, acquisition, consolidation, or similar non-recurring transaction for a person;

(5) the dissolution of a joint account in which the remaining Member assumes the positions of the joint account;

(6) the dissolution of a corporation or partnership in which a former nominee of the corporation or partnership assumes the positions;

(7) positions transferred as part of a Member’s capital contribution to a new joint account, partnership, or corporation;

(8) the donation of positions to a not-for-profit corporation;

(9) the transfer of positions to a minor under the Uniform Gifts to Minors Act; or

(10) the transfer of positions through operation of law from death, bankruptcy, or otherwise.⁷

The proposed rule change makes clear that the transferred positions must be on, from, or to the books of a Clearing Member. The proposed rule change states that existing positions of a Member or a non-Member may be subject to a transfer, except under specified circumstances in which a transfer may only be effected for positions of a Member.⁸ The Exchange notes transfers of positions in Exchange-listed options may also be subject to applicable laws, rules, and regulations, including rules of other self-regulatory organizations.⁹ Except as explicitly provided in the proposed rule text, the proposed rule change is not intended to exempt position transfers from any other applicable rules or regulations,
