

Program (FLP) to the Under Secretary for Farm and Foreign Agricultural Service in § 2.16 of 7 CFR part 2. FLP provides loans to family farmers to purchase real estate equipment and finance agricultural production. The regulations covered by this information collection package describes, the policies and procedures the agency uses to provide supervised credit to direct FLP applicants and borrowers in accordance with the provisions of the Consolidated Farm and Rural Development Act (Pub. L. 87-128), as amended.

**Need and Use of the Information:** Information collections are submitted by applicants and borrowers to the local FSA office serving the county in which their business is headquartered. The information is necessary to provide supervised credit as legislatively mandated and is used by Agency Officials to: (1) Ensure that when loan funds or insurance proceeds are used for construction and development, projects, work is completed according to applicable state and local requirements, and in a manner that protects the Agency's financial interest. (2) Ensure that the loan repayment plan is developed using realistic data, based on the actual history of the operation and any planned improvements. (3) Identify potential concerns limiting the success of the operation and develop a loan assessment outlining the course of action to be followed, to improve the operation so that commercial credit is available.

The agency is mandated to provide supervised credit; therefore, failure to collect the information, or collecting it less frequently, could result in the failure of the farm operation or loss of agency security property.

### Submission for OMB Review; Comment Request

July 15, 2020.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the

Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by August 19, 2020 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

### Rural Housing Service

**Title:** 7 CFR 1942-A, Community Facility Loans.

**OMB Control Number:** 0575-0015.

**Summary of Collection:** The Rural Housing Service (RHS) is a credit agency within the Rural Development mission area of the U.S. Department of Agriculture. The Community Programs Division of the RHS administers the Community Facilities program under 7 CFR part 1942, subpart A. Rural Development provides loan and grant funds through the Community Facilities program to finance many types of projects varying in size and complexity, from large general hospitals to small fire trucks. The facilities financed are designed to promote the development of rural communities by providing the infrastructure necessary to attract residents and rural jobs. RHS will collect information using multiple forms and in written format.

**Need and Use of the Information:** Information will be collected by Rural Development field offices from applicants/borrowers and consultants. The information is used to determine eligibility, project feasibility, and to ensure borrowers operate on a sound basis and use loan and grant funds for authorized purposes. Failure to collect proper information could result in improper determinations of eligibility, improper use of funds, and/or unsound loans.

**Description of Respondents:** Not-for-profit institutions; State, Local or Tribal Government.

**Number of Respondents:** 4,458.

**Frequency of Responses:**

Recordkeeping; Reporting: On occasion; Annually.

**Total Burden Hours:** 79,512.
