Appendix I—Scope of the Investigation

The merchandise covered by this investigation is certain tobacco cigarettes, commonly referred to as “4th tier cigarettes.” The subject cigarettes are composed of a tobacco blend rolled in paper, have a nominal minimum total length of 7.0 cm but do not exceed 12.0 cm in total nominal length, and have a nominal diameter of less than 1.3 cm. These sizes of cigarettes are frequently referred to as “Kings” and “100’s,” but subject merchandise that meets the physical description of the scope is included regardless of the marketing description of the size of the cigarettes. Subject merchandise typically has a tobacco blend that consists of 10% or more tobacco stems.

Subject merchandise is typically sold in packs of 20 cigarettes per pack which generally includes the marking “20 Class A Cigarettes” but are included regardless of packaging. 4th tier cigarette packages are typically sold in boxes without a rounded internal corner and without embossed aluminum foil inside the pack.

Both menthol and non-menthol cigarettes and cigarettes with or without a filter attached are covered by the scope of this investigation.

Merchandise covered by this investigation is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under subheading 2402.20.8000. This HTSUS subheading is provided for convenience and customs purposes; the written description of the scope of the investigation is dispositive.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that the producers/exporters subject to this administrative review made sales of subject merchandise at less than normal value (NV). Additionally, Commerce preliminarily determines that a company for which we initiated a review had no shipments during the period of review (POR). Interested parties are invited to comment on these preliminary results.

DATES: Applicable July 22, 2020.

SUPPLEMENTARY INFORMATION:

Background

On July 15, 2019, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on certain carbon and alloy steel cut-to-length plate from Italy.¹ This review covers seven producers and/or exporters of the subject merchandise. Commerce selected two companies, NLMK Verona SpA (NVR) and Officine Tecnosider s.r.l. (OTS), for individual examination. The producers and/or exporters not selected for individual examination are listed in the “Preliminary Results of the Review” section of this notice.

On January 9, 2020, Commerce extended the preliminary results of this review by 119 days, until May 29, 2020.² On April 24, 2020, Commerce tolled all deadlines in administrative

reviews by 50 days, thereby extending the deadline for these results until July 20, 2020.³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.

Scope of the Order

The products covered by the order are certain carbon and alloy steel hot-rolled or forged flat plate products not in coils, whether or not painted, varnished, or coated with plastics or other non-metallic substances from Italy. Products subject to the order are currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under item numbers: 7208.40.3030, 7208.40.3060, 7208.51.0030, 7208.51.0045, 7208.51.0060, 7208.52.0000, 7211.13.0000, 7211.14.0030, 7211.14.0045, 7225.40.1110, 7225.40.1180, 7225.40.3005, 7225.40.3050, 7226.20.0000, and 7226.91.5000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.⁴

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

Preliminary Determination of No Shipments

One company under review, Lyman Steel Company (Lyman), filed a statement reporting that it made no shipments of subject merchandise to the United States during the POR.⁵ We were able to confirm Lyman's claim with U.S. Customs and Border Protection (CBP).⁶ Consequently, we preliminarily determine that Lyman had no shipments during the POR. Consistent with its practice, Commerce finds that it is not appropriate to preliminarily rescind the review with respect to this company but, rather, to complete the review with respect to it and issue appropriate instructions to CBP based on the final results of this review.⁷

Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period May 1, 2018 through April 30, 2019:

Producers/exporters	Weighted-average dumping margin (percent)
NLMK Verona SpA	1.39
Officine Tecnosider s.r.l	1.23
Review-Specific Average Rate Applicable to the Following Companies: ⁸	
O.M.E.P SpA	1.30
Ofar SpA	1.30
Sesa SpA	1.30
Tim-Cop Doo Temerin	1.30

interested parties within five days after the date of publication of this notice.⁹ Interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.¹⁰ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.¹¹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹² Case and rebuttal briefs should be filed using ACCESS.¹³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹⁴ Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.¹⁵ Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹⁶

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess,

⁸ This rate is based on the rates for the respondents that were selected for individual review, excluding rates that are zero, *de minimis* or based entirely on facts available. See section 735(c)(5)(A) of the Act.

⁹ See 19 CFR 351.224(b).

¹⁰ See 19 CFR 351.309(c).

¹¹ Commerce is exercising its discretion, under 19 CFR 351.309(d)(1), to alter the time limit for filing of rebuttal briefs.

¹² See 19 CFR 351.309(c)(2) and (d)(2).

¹³ See 19 CFR 351.303.

¹⁴ See 19 CFR 351.310(c).

¹⁵ See 19 CFR 351.310(d).

¹⁶ See Section 751(a)(3)(A) of the Act.

antidumping duties on all appropriate entries.¹⁷

Where the respondent did not report entered value or reported amounts based on average data, we calculated the entered value in order to calculate the assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the average¹⁸ of the cash deposit rates calculated for NVR and OTS, excluding any which are zero or *de minimis* or determined entirely based on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Commerce's "reseller policy" will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to the intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁹

Further, if we continue to find, in the final results, that Lyman had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their AD case number (*i.e.*, at that exporter's rate), or at the all-others rate, if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for

consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporters listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 6.08 percent, the all-others rate established in the LTFV investigation.²⁰ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 16, 2020.
