

including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of the final results, Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. If a respondent's weighted-average dumping margin is not zero or *de minimis* in the final results of this review, then we will calculate importer-specific antidumping duty assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1).¹⁰ If Garg Tube's weighted-average dumping margin is zero or *de minimis* in the final results of review, or if an importer-specific antidumping duty assessment rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regards to antidumping duties.¹¹

For entries of subject merchandise during the POR produced by Garg Tube for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries.¹²

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review. The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of final results of administrative review for all shipments of pipes and tubes from India entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for companies subject to this review will be equal to the company-specific

weighted-average dumping margin established in the final results of the review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will be the all-others rate established in the less-than-fair-value investigation for this proceeding, 7.08 percent.¹³ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221.

SUPPLEMENTARY INFORMATION:

Background

On May 31, 2019, domestic interested parties Independence Tube Corporation and Southland Tube (collectively, Nucor) requested an administrative review of eleven companies under the antidumping duty (AD) order on LWRPT from Turkey.¹ On July 15, 2019, Commerce published a notice initiating an administrative review of the AD order on LWRPT from Turkey covering these eleven companies for the POR.² On July 30, 2019, Commerce selected Agir Haddecilik A.S. (Agir) and Noksel Celik Boru Sanayi A.S. (Noksel) as mandatory respondents.³ On October 15, 2019, Nucor timely withdrew its request for an administrative review of four companies, including Agir.⁴ Eight companies claimed that they made no shipments of subject merchandise to the United States during the POR, including

two companies for which Nucor has withdrawn its request for this review.⁵

On January 6, 2020, Commerce extended the deadline for issuing the preliminary results of this review from January 31, 2020 to May 29, 2020.⁶ On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these preliminary results until July 20, 2020.⁷

Scope of the Order

The merchandise covered by the antidumping order is certain welded carbon quality light-walled steel pipe and tube, of rectangular (including square) cross section, having a wall thickness of less than 4 millimeters. The merchandise subject to the order is classified in the Harmonized Tariff Schedule of the United States at subheadings 7306.61.50.00 and 7306.61.70.60. For a full description of the scope of the order, see the Preliminary Decision Memorandum.⁸

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export prices have been calculated in accordance with section 772 of the Act. Normal value was calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws their request(s) within 90 days of the publication date of the notice of initiation of the requested review. On October 15, 2019, Nucor timely withdrew its request for an administrative review of Agir, Cinar Boru Profil Sanayi ve Ticaret A.S., MTS Lojistik ve Tasimacilik Hizmetleri Ticaret A.S., and Ozdemir Boru Profil Sanayi ve Ticaret Ltd Sti.⁹ Because Nucor timely withdrew its request for a review of these four companies, and no other parties requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the AD order on LWRPT from Turkey with respect to these four companies.

Preliminary Determination of No Shipments

Six companies for which this review is ongoing have claimed that each company had no entries of subject merchandise during the POR. Commerce sent its standard inquiry to U.S. Customs and Border Protection (CBP) requesting information which may contradict these claims. CBP has provided no information in response to Commerce’s inquiries that contradicted the claims of six of the companies still under review which claimed to have made no shipments of subject merchandise to the United States during the POR. Therefore, Commerce preliminarily determines that these six companies had no entries of subject merchandise during the POR.¹⁰ For

¹⁰ The six companies are: (1) Çayırova Boru Sanayi ve Ticaret A.S.; (2) Yücel Boru ve Profil Endüstrisi A.S.; (3) Yücelboru İhracat İthalat ve Pazarlama A.S.; (4) Tosçelik Profil ve Sac Endüstrisi A.S.; (5) Tosyalı Dis Ticaret A.S.; and (6) Tosçelik Metal Ticaret A.S.

additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with Commerce’s practice in a market economy proceeding, Commerce is not rescinding this administrative review, in part, with respect to these six companies, but intends to complete the review with respect to the companies for which it has preliminarily found no shipments and to issue appropriate liquidation instructions to CBP based on the final results of the review.¹¹

Preliminary Results of Review
Commerce preliminarily determines the following weighted-average dumping margin exists for the period May 1, 2018 through April 30, 2019:

Producer or exporter	Weighted-average dumping margin (percent)
Noksel Celik Boru Sanayi A.S. (Noksel)	23.39

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). We will calculate importer-specific assessment rates equal to the ratio of the total amount of dumping calculated for examined U.S. sales of merchandise imported by a particular importer to the total entered value of the reported U.S. sales in accordance with 19 CFR 351.212(b)(1).¹⁸ Where the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁹ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise under review

and for future cash deposits of estimated antidumping duties, where applicable.²⁰

For entries of subject merchandise during the POR produced by the respondent for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of LWRPT from Turkey entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Noksel will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is zero or *de minimis*, then no cash deposit will be required); (2) for merchandise exported by a producer or exporter not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter was included; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the producer is, the cash deposit rate will be the rate established in the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 27.04 percent *ad valorem*, the all-others rate established in the less-than-fair-value investigation.²¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers
