

program and regional offices, is used to inform the development of an IRIS Assessment Plan (IAP).

The IAP communicates the plan for developing each individual chemical assessment to the public and includes summary information on the IRIS Program's scoping and initial problem formulation activities, objectives and specific aims for the assessment, and a PECO (Populations, Exposures, Comparators, and Outcomes) for the systematic review. The PECO provides the framework for developing detailed literature search strategies and inclusion/exclusion criteria, particularly with respect to evidence stream (e.g., human, animal, mechanistic), exposure measures, and outcome measures. The IAP serves to inform the subsequent development of chemical-specific systematic review protocols, which will be made available for public review.

II. Public Webinar Information

To allow for public input, EPA is convening a public webinar to discuss the IRIS Assessment Plan for Oral Exposure to Vanadium and Compounds on August 19, 2020. Specific teleconference and webinar information regarding this public meeting will be provided through the IRIS website (<https://www.epa.gov/iris>) and via EPA's IRIS listserv. To register for the IRIS listserv, visit the IRIS website (<https://www.epa.gov/iris>) or visit <https://www.epa.gov/iris/forms/staying-connected-integrated-risk-information-system#connect>.

III. How to Submit Technical Comments to the Docket at <https://www.regulations.gov>

Submit your comments, identified by Docket ID No. EPA-HQ-ORD-2020-0183 for IRIS Assessment Plan for Oral Exposure to Vanadium and Compounds, by one of the following methods:

- www.regulations.gov: Follow the on-line instructions for submitting comments.
- *Email*: Docket_ORD@epa.gov.
- *Fax*: 202-566-9744. Due to COVID-19, there may be a delay in processing comments submitted by fax.
- *Mail*: U.S. Environmental Protection Agency, EPA Docket Center (ORD Docket), Mail Code: 28221T, 1200 Pennsylvania Avenue NW, Washington, DC 20460. The phone number is 202-566-1752. Due to COVID-19, there may be a delay in processing comments submitted by mail.

Note: The EPA Docket Center and Reading Room is currently closed to public visitors to reduce the risk of transmitting COVID-19. Docket Center staff will continue to provide remote

customer service via email, phone, and webform. The public can submit comments via www.Regulations.gov or email. No hand deliveries are currently being accepted.

Instructions: Direct your comments to Docket ID No. EPA-HQ-ORD-2020-0183. Please ensure that your comments are submitted within the specified comment period. Comments received after the closing date will be marked "late," and may only be considered if time permits. It is EPA's policy to include all comments it receives in the public docket without change and to make the comments available online at www.regulations.gov, including any personal information provided, unless a comment includes information claimed to be Confidential Business Information (CBI) or other information for which disclosure is restricted by statute. Do not submit information through www.regulations.gov or email that you consider to be CBI or otherwise protected. The www.regulations.gov website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through www.regulations.gov, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about EPA's public docket visit the EPA Docket Center homepage at www.epa.gov/epahome/dockets.htm.

Docket: Documents in the docket are listed in the www.regulations.gov index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other materials, such as copyrighted material, are publicly available only in hard copy. Publicly available docket materials are available either electronically in www.regulations.gov or in hard copy at

the ORD Docket in the EPA Headquarters Docket Center.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OGC-2020-0368; FRL-10012-76-OGC]

Proposed Consent Decree, Clean Air Act Citizen Suit

AGENCY: Environmental Protection Agency (EPA)

ACTION: Notice of proposed consent decree; request for public comment.

SUMMARY: In accordance with section 113(g) of the Clean Air Act, as amended ("CAA" or the "Act"), notice is given of a proposed consent decree in *Our Children's Earth Foundation v. Wheeler*, No. 3:19-cv-07125 (N.D. Cal.). On October 29, 2019, Our Children's Earth Foundation filed a complaint in the United States District Court for the Northern District of California, alleging that the Administrator of the United States Environmental Protection Agency ("EPA") failed to perform non-discretionary duties to review the existing New Source Performance Standards ("NSPS") governing Secondary Lead Smelters ("Secondary Lead Smelters NSPS"); Lead-Acid Battery Manufacturing Plants ("Lead-Acid Battery Manufacturing NSPS"); Industrial Surface Coating: Surface Coating of Plastic Parts for Business Machines ("Industrial Surface Coating of Plastic Parts for Business Machines NSPS"); and Automobile and Light Duty Truck Surface Coating Operations ("Automobile and Light Duty Truck Surface Coating Operations NSPS"), and to review the existing National Emission Standards for Hazardous Air Pollutants ("NESHAP") governing Dry Cleaning Facilities: National Perchloroethylene Air Emission Standards ("Dry Cleaning Facilities NESHAP"); Paint Stripping and Miscellaneous Surface Coating Operations at Area Sources ("Paint Stripping and Miscellaneous Surface Coating Operations NESHAP"), and Lead Acid Battery Manufacturing Area Sources ("Lead Acid Battery Manufacturing NESHAP"). The proposed consent decree would establish deadlines for EPA to take action on these source categories.

DATES: Written comments on the proposed consent decree must be received by August 24, 2020.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2020-0368, online at <https://www.regulations.gov> (EPA's preferred method). Follow the online instructions for submitting comments.

Instructions: All submissions received must include the Docket ID number for this action. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided. For detailed instructions on sending comments and additional information on the rulemaking process, see the "Additional Information about Commenting on the Proposed Consent Decree" heading under the **SUPPLEMENTARY INFORMATION** section of this document. Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room are closed to the public, with limited exceptions, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov>, as there may be a delay in processing mail and faxes. Hand deliveries and couriers may be received by scheduled appointment only. For further information on EPA Docket Center services and the current status, please visit us online at <https://www.epa.gov/dockets>.

The EPA continues to carefully and continuously monitor information from the CDC, local area health departments, and our Federal partners so that we can respond rapidly as conditions change regarding COVID-19.

FOR FURTHER INFORMATION CONTACT: Stacey Simone Garfinkle, Air and Radiation Law Office (2344A), Office of General Counsel, U.S. Environmental Protection Agency, 1200 Pennsylvania Ave. NW, Washington, DC 20460; telephone: (202) 564-3103; email address: garfinkle.stacey@epa.gov.

SUPPLEMENTARY INFORMATION:

I. Obtaining a Copy of the Proposed Consent Decree

The official public docket for this action (identified by Docket ID No. EPA-HQ-OGC-2020-0368) contains a copy of the proposed consent decree.

The electronic version of the public docket for this action contains a copy of the proposed consent decree, and is available through <https://www.regulations.gov>. You may use

<https://www.regulations.gov> to submit or view public comments, access the index listing of the contents of the official public docket, and access those documents in the public docket that are available electronically. Once in the system, key in the appropriate docket identification number then select "search."

II. Additional Information About the Proposed Consent Decree

The proposed consent decree would resolve a lawsuit filed by Our Children's Earth Foundation seeking to compel the Administrator to take action under the Clean Air Act to review, and if appropriate revise, the Secondary Lead Smelters NSPS, Lead-Acid Battery Manufacturing Plants NSPS, Industrial Surface Coating of Plastic Parts for Business Machines NSPS, and Automobile and Light Duty Truck Surface Coating Operations NSPS at least every 8 years under section 111(b)(1)(B) of the Act, and to review, and revise if necessary (taking into account developments in practices, processes, and control technologies), the Dry Cleaning Facilities NESHAP, Paint Stripping and Miscellaneous Surface Coating Operations NESHAP, and Lead Acid Battery Manufacturing NESHAP no less often than every 8 years under section 112(d)(6) of the Act.

Under the terms of the proposed consent decree, EPA shall review, and revise if necessary, the above source categories by the deadlines established in the proposed consent decree. Beginning on January 1, 2021, EPA will provide Our Children's Earth Foundation with status reports every 180 days to inform Plaintiff as to whether the Agency is making reasonable progress toward meeting the deadlines proposed in the consent decree, and whether the Agency anticipates any difficulties in meeting the deadlines with an explanation of the difficulty or difficulties.

For a period of thirty (30) days following the date of publication of this document, the Agency will accept written comments relating to the proposed consent decree. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act.

III. Additional Information About Commenting on the Proposed Consent Decree

Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2020-

0368, via <https://www.regulations.gov>. Once submitted, comments cannot be edited or removed from this docket. The EPA may publish any comment received to its public docket. Do not submit to EPA's docket at <https://www.regulations.gov> any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.* on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>. For additional information about submitting information identified as CBI, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this document. Note that written comments containing CBI and submitted by mail may be delayed and deliveries or couriers will be received by scheduled appointment only.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an email address or other contact information in the body of your comment. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the <https://www.regulations.gov> website to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, email address, or other contact information unless you provide it in the body of your comment.

Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

Gautam Srinivasan,

Associate General Counsel.

FEDERAL DEPOSIT INSURANCE CORPORATION

RIN 3064-ZA18

Request for Information on Standard Setting and Voluntary Certification for Models and Third-Party Providers of Technology and Other Services

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice and request for information.

SUMMARY: The FDIC is issuing this request for information (RFI) as part of its FDiTech initiative to promote the efficient and effective adoption of technology at FDIC-supervised banks and savings associations (financial institutions), particularly at community banks, and to facilitate the supervision of technology usage at these institutions without increasing costs or regulatory burden. The FDIC is committed to increasing transparency, improving supervisory and regulatory efficiency, supporting innovation in banking, and providing opportunities for public feedback. This RFI seeks input on whether a standard-setting and voluntary-certification program could be established to support financial institutions' efforts to implement models and manage model risk by certifying or assessing certain aspects of the models themselves, and to conduct due diligence of third-party providers of technology and other services by certifying or assessing certain aspects of the third-party providers' operations or condition. The FDIC is especially interested in information on models and technology services developed and provided by financial technology companies, sometimes referred to as "fintechs."

DATES: Comments must be received by September 22, 2020.

ADDRESSES: You may submit comments, identified by RIN 3064-ZA18, by any of the following methods:

- *Agency Website:* <https://www.fdic.gov/regulations/laws/federal/>. Follow the instructions for submitting comments on the agency website.
- *Email:* Comments@fdic.gov. Include RIN 3064-ZA18 in the subject line of the message.

- *Mail:* Robert E. Feldman, Executive Secretary, Attention: Comments, Federal Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.

- *Hand Delivery/Courier:* Comments may be hand-delivered to the guard station at the rear of the 550 17th Street NW building (located on F Street) on business days between 7:00 a.m. and 5:00 p.m.

All comments received must include the agency name and RIN 3064-ZA18.

Public Inspection: All comments received will be posted without change to <https://www.fdic.gov/regulations/laws/federal/>—including any personal information provided—for public inspection. Paper copies of public comments may be ordered from the FDIC Public Information Center, 3501 North Fairfax Drive, Room E-1002, Arlington, VA 22226 by telephone at (877) 275-3342 or (703) 562-2200.

FOR FURTHER INFORMATION CONTACT: Alexander LePore, Jr., Senior Policy Analyst, (202) 898-7203, alepore@fdic.gov.

SUPPLEMENTARY INFORMATION: The FDIC is an independent Federal agency with a mission of maintaining stability and public confidence in the nation's financial system, in part by examining and supervising certain financial institutions, including for safety and soundness and consumer protection.¹ The FDIC is the primary Federal banking supervisor for more than 3,000 state-chartered banks and savings associations that are not members of the Federal Reserve System, and it conducts regular examinations of these supervised institutions.² Examinations include an assessment of how a financial institution manages the risks presented by its relationships with third parties.

The FDIC reviews a financial institution's management of significant third-party relationships in the context of the normal supervisory process. The FDIC examines the quality and effectiveness of an institution's risk management program as it pertains to the safety and soundness and consumer

¹ The FDIC also promotes stability and public confidence in the nation's financial system by insuring deposits and resolving failed insured depository institutions, leading sound policy development, evaluating resolution plans of the largest of institutions, and monitoring and mitigating systemic risks in the banking sector and financial system as a whole.

² The FDIC also has a back-up supervision and examination role with respect to approximately 2,000 insured depository institutions (pursuant to sections 8 and 10 of the Federal Deposit Insurance Act, 12 U.S.C. 1818, 1820) for which the Office of the Comptroller of the Currency and the Board of Governors of the Federal Reserve System are the primary Federal regulators.
