## DEPARTMENT OF TRANSPORTATION

### Federal Railroad Administration

[Docket Number FRA-1999-6254]

#### Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on July 15, 2020, the Santa Clara Valley Transportation Authority (SCVTA) petitioned the Federal Railroad Administration (FRA) to renew a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR parts 214, 217, 219, 220, 221, 223, 225, 228, 229, 231, 233, 236, 238, and 239. FRA assigned the petition Docket Number FRA-1999-6254.

In its petition, SCVTA seeks to extend the terms and conditions of its shared use waiver, originally granted by FRA's Railroad Safety Board on September 26, 2005; modified in 2008; extended in 2011, 2013, 2018, and 2019. Specifically, SCVTA requests the following relief, for a period of five years: partial relief from part 220, Railroad Communications, for SCVTA employees, except its dispatchers; partial relief from part 225, Railroad Accidents/Incident Reports, only for employee injuries; and full relief from some parts of multiple regulations (e.g., 49 CFR parts 217, 219, 221, 229, 238, and 239).

This shared use waiver is for the continued operation of the SCVTA rail fixed guideway transit system with the Union Pacific Railroad (UPRR) in the Vasona Corridor. SCVTA shares this corridor with UPRR, as they operate in parallel for 5 miles of the existing 15-mile-long UPRR Vasona Industrial Lead. It serves the cities of southwest San Jose and Campbell, California. Because SCVTA owns this 5-mile-long portion of the shared corridor, SCVTA and UPRR have executed an Operations and Maintenance Agreement, which includes an exclusive operating easement, allowing UPRR to fulfill its
