Foreign Endangered Species; Receipt of Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of permit applications; request for comments.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on applications to conduct certain activities with foreign species that are listed as endangered under the Endangered Species Act (ESA). With some exceptions, the ESA prohibits activities with listed species unless Federal authorization is issued that allows such activities. The ESA also requires that we invite public comment before issuing permits for any activity otherwise prohibited by the ESA with respect to any endangered species.

DATES: We must receive comments by September 2, 2020.

ADDRESSES: *Obtaining Documents:* The applications, application supporting materials, and any comments and other materials that we receive will be available for public inspection at <http://www.regulations.gov> in Docket No. FWS-HQ-IA-2020-0075.

Submitting Comments: When submitting comments, please specify the name of the applicant and the permit number at the beginning of your comment. You may submit comments by one of the following methods:

- *Internet:* <http://www.regulations.gov>. Search for and submit comments on Docket No. FWS-HQ-IA-2020-0075.
- *U.S. Mail:* Public Comments Processing, Attn: Docket No. FWS-HQ-IA-2020-0075; U.S. Fish and Wildlife Service Headquarters, MS: PRB/3W; 5275 Leesburg Pike; Falls Church, VA 22041-3803.

SUPPLEMENTARY INFORMATION:

I. Public Comment Procedures

A. How do I comment on submitted applications?

We invite the public and local, State, Tribal, and Federal agencies to comment on these applications. Before issuing any of the requested permits, we will take into consideration any information that we receive during the public comment period.

You may submit your comments and materials by one of the methods in **ADDRESSES**. We will not consider comments sent by email or fax, or to an address not in **ADDRESSES**. We will not consider or include in our administrative record comments we receive after the close of the comment period (see **DATES**).

When submitting comments, please specify the name of the applicant and the permit number at the beginning of your comment. Provide sufficient information to allow us to authenticate any scientific or commercial data you include. The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) those that include citations to, and analyses of, the applicable laws and regulations.

B. May I review comments submitted by others?

You may view and comment on others' public comments at <http://www.regulations.gov>, unless our allowing so would violate the Privacy Act (5 U.S.C. 552a) or Freedom of Information Act (5 U.S.C. 552).

C. Who will see my comments?

If you submit a comment at <http://www.regulations.gov>, your entire comment, including any personal identifying information, will be posted on the website. If you submit a hardcopy comment that includes personal identifying information, such as your address, phone number, or email address, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. Moreover, all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be

made available for public disclosure in their entirety.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(c) of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*), we invite public comments on permit applications before final action is taken. With some exceptions, the ESA prohibits certain activities with listed species unless Federal authorization is issued that allows such activities. Permits issued under section 10(a)(1)(A) of the ESA allow otherwise prohibited activities for scientific purposes or to enhance the propagation or survival of the affected species. Service regulations regarding prohibited activities with endangered species, captive-bred wildlife registrations, and permits for any activity otherwise prohibited by the ESA with respect to any endangered species are available in title 50 of the Code of Federal Regulations in part 17.

III. Permit Applications

We invite comments on the following applications.

Applicant: Luke Michael Wildenberg, Oak Grove, MN; Permit No. 59836D

The applicant requests a permit to import a sport-hunted Cape Mountain zebra (*Equus zebra zebra*) from a captive herd, Swartberg Private Wildlife Estate, South Africa, for the purpose of enhancing the propagation or survival of the species. This notification is for a single import activity.

The applicant requests renewal of a permit to export/re-export captive-held/captive hatched and wild live specimens, captive-bred/wild collected viable eggs, biological samples and salvaged materials from captive-bred/wild specimens of whooping cranes (*Grus americana*) to Canada, for completion of identified tasks and objectives mandated under the Whooping Crane Recovery Plan. Salvaged materials may include, but are not limited to, whole or partial specimens, feathers, eggs, and egg shell fragments. This notification covers activities to be conducted by the applicant over a 5-year period.

Applicant: Priour Brothers Ranch, Mountain Home, TX; Permit No. 672849

The applicant requests an amendment to their captive-bred wildlife

registration under 50 CFR 17.21(g) for Arabian oryx (*Oryx leucoryx*) to enhance the propagation or survival of the species. This notification covers activities to be conducted by the applicant over a 2-year period.

Applicant: Steven Wierzgacz, Mesa, AZ; Permit No. 35231A

The applicant requests a captive-bred wildlife registration under 50 CFR 17.21(g) for radiated tortoises (*Astrochelys radiata*) to enhance the propagation or survival of the species. This notification covers activities to be conducted by the applicant over a 5-year period.

Applicant: Priour Brothers Ranch, Mountain Home, TX; Permit No. 707102

The applicant requests an amendment to their permit authorizing the culling of excess Arabian oryx (*Oryx leucoryx*) from the captive herd maintained at their facility, to enhance the species' propagation and survival. This notification covers activities to be conducted by the applicant over a 2-year period.

IV. Next Steps
