RIN 2120–AA66

Amendment of Class D and Class E Airspace; Las Vegas, NV

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action modifies Class E airspace by adding an area, designated as an extension to a Class D or Class E surface area. This action also implements several administrative amendments to the airspace legal descriptions.

DATES: Effective 0901 UTC, November 5, 2020. The Director of the Federal Register approves this incorporation by reference action under Title 1 Code of Federal Regulations part 51, subject to the annual revision of FAA Order 7400.11 and publication of conforming amendments.

ADDRESSES: FAA Order 7400.11D, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at https://www.faa.gov/air_traffic/publications/. SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends Class D and Class E airspace at North Las Vegas Airport, Las Vegas, NV, to ensure the safety and management of Instrument Flight Rules (IFR) operations at the airport.

History

The FAA published a notice of proposed rulemaking in the Federal Register (85 FR 27180; May 7, 2020) for Docket No. FAA–2020–0353 to amend Class D and Class E airspace at North Las Vegas Airport, Las Vegas, NV. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Class D, E4, and E5 airspace designations are published in paragraphs 5000, 6004, and 6005, respectively, of FAA Order 7400.11D, dated August 8, 2019, and effective September 15, 2019, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019. FAA Order 7400.11D is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11D lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 modifies Class E airspace at North Las Vegas Airport, Las Vegas, NV. This action adds an area, designated as an extension to a Class D or Class E surface area, to the northwest of the airport. The area extends from the airport’s Class D airspace. This area is described as follows: That airspace extending upward from the surface within 2 miles each side of the 314° bearing from the airport, extending from the 4.3-mile radius to 13.2 miles northwest of North Las Vegas Airport. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

This action implements several administrative amendments to the airspace legal descriptions for the Class D and Class E airspace extending upward from 700 feet above the surface. The first line of the airspace text headers is updated to “AWP NV D Las Vegas, NV” and “AWP NV E5 Las Vegas, NV”, respectively. The second line of the airspace text headers for both areas is updated to “North Las Vegas Airport, NV”. The airport’s geographic coordinates are updated to lat. 36°12′39″ N, long. 115°11′40″ W. The term “Airport/Facility Directory” in the Class D airspace description is updated to “Chart Supplement”.
FAA Order 7400.11. Airspace Designations and Reporting Points, is published yearly and effective on September 15.

**Regulatory Notices and Analyses**

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial, and unlikely to result in adverse or negative comments. It, therefore; (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

**Environmental Review**

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures,” paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

**Fees for Inbound Express Mail (EMS) Items**

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.

**ACTION:** Interim final rule.

**SUMMARY:** U.S. Customs and Border Protection (CBP) is amending its regulations to implement new subsection 13031(b)(9)(D) of the Consolidated Omnibus Budget Reconciliation Act (COBRA), as amended by section 8002 of the Synthetics Trafficking and Overdose Prevention Act of 2018 (STOP Act). Among other things, the new subsection establishes a new fee for processing Inbound Express Mail Service items (Inbound EMS items), requires the United States Postal Service to pay a percentage of this fee to CBP on a quarterly basis, provides that Inbound EMS items that are formally entered are also subject to a merchandise processing fee, if applicable, and requires the Secretary of the Treasury to issue regulations regarding USPS’s quarterly remittances to CBP. This rule also makes conforming amendments to CBP regulations.

**DATES:** Effective date: This interim final rule is effective on August 4, 2020, except for the amendment to § 24.23(c)(1)(v) which is effective September 3, 2020.

**Comment date:** Comments must be received on or before October 5, 2020.

**ADDRESSES:** You may submit comments, identified by docket number, through the following method: 

Due to COVID–19 related restrictions, CBP has temporarily suspended its ability to receive public comments by mail.
