SECURITIES AND EXCHANGE COMMISSION

[SEC File. No. 270–94, OMB Control No. 3235–0085]

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Extension:
Rule 17a–11

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (''PRA'') (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''Commission'') is soliciting comments on the existing collection of information provided for in Rule 17a–11, Notification Provisions for Brokers and Dealers (17 CFR 240.17a–11), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (''Exchange Act''). The Commission plans to submit this existing collection of information to the Office of Management and Budget (''OMB'') for extension and approval.

In response to an operational crisis in the securities industry between 1967 and 1970, the Commission adopted Rule 17a–11 (17 CFR 240.17a–11) under the Exchange Act on July 11, 1971. The Rule requires broker-dealers that are experiencing financial or operational difficulties to provide notice to the Commission, the broker-dealer's designated examining authority (''DEA''), and the Commodity Futures Trading Commission (''CFTC'') if the broker-dealer is registered with the CFTC as a futures commission merchant. Rule 17a–11 is an integral part of the Commission's financial responsibility program which enables the Commission, a broker-dealer's DEA, and the CFTC to increase surveillance of a broker-dealer experiencing difficulties and to obtain any additional information necessary to gauge the broker-dealer's financial or operational condition.

Rule 17a–11 also requires over-the-counter (''OTC'') derivatives dealers and broker-dealers that are permitted to compute net capital pursuant to Appendix E to Exchange Act Rule 15c3–1 to notify the Commission when their tentative net capital drops below certain levels.

To ensure the provision of these types of notices to the Commission, Rule 17a–11 requires every national securities exchange or national securities association to notify the Commission when it learns that a member broker-dealer has failed to send a notice or transmit a report required under the Rule.

Compliance with the Rule is mandatory. The Commission will generally not publish or make available to any person notices or reports received pursuant to Rule 17a–11. The Commission believes that information obtained under Rule 17a–11 relates to a condition report prepared for the use of the Commission, other federal governmental authorities, and securities industry self-regulatory organizations responsible for the regulation or supervision of financial institutions.

The Commission expects to receive 343 notices from broker-dealers whose capital declines below certain specified levels or who are otherwise experiencing financial or operational problems and eleven notices each year from national securities exchange or national securities association notifying it that a member broker-dealer has failed to send the Commission a notice or transmit a report required under the Rule. The Commission expects that it will take approximately one hour to prepare and transmit each notice. Therefore, the Commission estimates the total annual reporting burden arising from this section of the rule will be approximately 354 hours.[1]

Rule 17a–11 also requires broker-dealers engaged in securities lending or repurchase activities to either: (1) File a notice with the Commission and their DEA whenever the total money payable against all securities loaned, subject to a reverse repurchase agreement or the contract value of all securities borrowed or subject to a repurchase agreement, exceeds 2,500% of tentative net capital; or, alternatively, (2) report monthly their securities lending and repurchase activities to their DEA in a form acceptable to their DEA.

The Commission estimates that, annually, six broker-dealers will submit the monthly stock loan/borrow report. The Commission estimates each firm will spend, on average, approximately one hour per month (or twelve hours per year) of employee resources to prepare and send the report or to prepare the information for the FOCUS report (as required by the firm's DEA, if applicable). Therefore, the Commission estimates the total annual reporting burden arising from this section of the rule will be approximately 72 hours.[2]

Therefore, the total annual reporting burden associated with Rule 17a–11 is approximately 426 hours.[3]

[1] 343 hours + 11 hours = 354 hours.

[2] 6 broker-dealers × 12 hours per year = 72 hours.

[3] 343 hours + 11 hours + 72 hours = 426 hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or send an email to: *PRA_Mailbox@sec.gov.*

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–89432; File No. SR–NYSEArca-2020–71]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Rule 11.6800 Series

July 30, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act'') [1] and Rule 19b–4 thereunder,[2] notice is hereby given that, on July 27, 2020, NYSE Arca, Inc. (''NYSE Arca'' or the ''Exchange'') filed with the Securities and Exchange Commission (''Commission'') the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Rule 11.6800 Series, the Exchange's compliance rule (''Compliance Rule'') regarding the National Market System Plan Governing the Consolidated Audit Trail (the ''CAT NMS Plan'' or ''Plan'') [3] to be consistent with an amendment to the CAT NMS Plan recently approved by the Commission. The proposed rule change is available on the Exchange's website at *www.nyse.com,* at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend the Rule 11.6800 Series, the Compliance Rule regarding the CAT NMS Plan, to be consistent with an amendment to the CAT NMS Plan recently approved by the Commission.[4] The Commission approved an amendment to the CAT NMS Plan to amend the requirements for Firm Designated IDs in four ways: (1) To prohibit the use of account numbers as Firm Designated IDs for trading accounts that are not proprietary accounts; (2) to require that the Firm Designated ID for a trading account be persistent over time for each Industry Member so that a single account may be tracked across time within a single Industry Member; (3) to permit the use of relationship identifiers as Firm Designated IDs in certain circumstances; and (4) to permit the use of entity identifiers as Firm Designated IDs in certain circumstances (the ''FDID Amendment''). As a result, the Exchange proposes to amend the definition of ''Firm Designated ID'' in Rule 11.6810 to reflect the changes to the CAT NMS Plan regarding the requirements for Firm Designated IDs.

Rule 11.6810(r) defines the term ''Firm Designated ID'' to mean ''a unique identifier for each trading account designated by Industry Members for purposes of providing data to the Central Repository, where each such identifier is unique among all identifiers from any given Industry Member for each business date.''

(1) Prohibit Use of Account Numbers

The Exchange proposes to amend the definition of ''Firm Designated ID'' in Rule 11.6810(r) to provide that Industry Members may not use account numbers as the Firm Designated ID for trading accounts that are not proprietary accounts. Specifically, the Exchange proposes to add the following to the definition of a Firm Designated ID: ''provided, however, such identifier may not be the account number for such trading account if the trading account is not a proprietary account.''

(2) Persistent Firm Designated ID

The Exchange also proposes to amend the definition of ''Firm Designated ID'' in Rule 11.6810(r) to require a Firm Designated ID assigned by an Industry Member to a trading account to be persistent over time, not for each business day.[5] To effect this change, the Exchange proposes to amend the definition of ''Firm Designated ID'' in Rule 11.6810(r) to add ''and persistent'' after ''unique'' and delete ''for each business date'' so that the definition of ''Firm Designated ID'' would read, in relevant part, as follows:

A unique and persistent identifier for each trading account designated by Industry Members for purposes of providing data to

[1] 15 U.S.C. 78a.

[2] 17 CFR 240.19b–4.

[3] Unless otherwise specified, capitalized terms used in this rule filing are defined as set forth in the Compliance Rule.

[4] *See* Securities Exchange Act Release No. 89397 (July 24, 2020) (**Federal Register** publication pending).

[5] If an Industry Member assigns a new account number or entity identifier to a client or customer due to a merger, acquisition or some other corporate action, then the Industry Member should create a new Firm Designated ID to identify the new account identifier/relationship identifier/entity identifier in use at the Industry Member for the entity. In addition, if a previously assigned Firm Designated ID is no longer in use by an Industry Member (*e.g.,* if the trading account associated with the Firm Designated ID has been closed), then an Industry Member may reuse the Firm Designated ID for another trading account. The Plan Processor will maintain a history of the use of each Firm Designated ID, including, for example, the effective dates of the Firm Designated ID with respect to each associated trading account.
