Oil Country Tubular Goods From India, the Republic of Korea, the Republic of Turkey, Ukraine, and the Socialist Republic of Vietnam: Continuation of Antidumping and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC)

that the revocation of the antidumping duty (AD) orders on certain oil country tubular goods (OCTG) from India, the Republic of Korea (Korea), the Republic of Turkey (Turkey), Ukraine, and the Socialist Republic of Vietnam (Vietnam) and countervailing duty (CVD) orders on OCTG from India and Turkey would likely lead to the continuation or recurrence of dumping or recurrence of countervailable subsidies, and of material injury to an industry in the United States. Commerce is publishing a notice of continuation of these AD and CVD orders.

DATES: Applicable August 12, 2020.

FOR FURTHER INFORMATION CONTACT: Chelsey Simonovich, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1979.

SUPPLEMENTARY INFORMATION:

Background

In 2014, Commerce published the AD orders on OCTG from India, Korea, Turkey, and Vietnam and the CVD orders on OCTG from India and Turkey; in 2019, Commerce published the AD order on OCTG from Ukraine.¹ On February 5, 2019, the ITC instituted,² and on June 4, 2019 Commerce initiated,³ the five-year (sunset) reviews of the AD and CVD orders on OCTG from India, Korea, Turkey, Ukraine, and

Vietnam, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). As a result of its reviews, Commerce determined that revocation of the *Orders* would be likely to lead to the continuation or recurrence of dumping or the continuation or recurrence of countervailable subsidies, and, therefore, notified the ITC of the magnitude of the margins of dumping and the net subsidy rates likely to prevail should the *Orders* be revoked.⁴ On August 3, 2020, the ITC published its determinations, pursuant to sections 751(c) and 752(a) of the Act, that revocation of the *Orders* would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Orders

For purposes of these *Orders* and a complete description of the products covered by each order, please see the *Final Results* and accompanying Issues and Decision Memoranda.⁶
