

specifically, in June 2020, the Exchange had less than 10% market share of executed volume of multiply-listed equity & ETF options trades.²⁰

The Exchange believes that the proposed rule change reflects this competitive environment because it modifies the Exchange's fees in a manner designed to encourage ATP Holders to direct trading interest to the Exchange, to provide liquidity and to attract order flow. To the extent that this purpose is achieved, all the Exchange's market participants should benefit from the improved market quality and increased opportunities for price improvement.

The Exchange believes that the proposed change could promote competition between the Exchange and other execution venues, including those that currently offer similar pricing incentives, by encouraging additional orders to be sent to the Exchange for execution.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)²¹ of the Act and subparagraph (f)(2) of Rule 19b-4²² thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²³ of the Act to determine whether the proposed rule change should be approved or disapproved.

²⁰ Based on OCC data, *supra* note 16, the Exchange's market share in equity-based options was 8.20% for the month of June 2019 and 8.32% for the month of June 2020.

BILLING CODE 4710-07-P

The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 0.27 acres of airport property at the Liberal Mid-America Regional Airport (LBL) under the provisions of 49 U.S.C. 47107(h)(2). On July 28, 2020, the Airport Attorney requested from the FAA that approximately 0.27 acres of property be released for sale to Liberal New Iron & Metal, LLC. The FAA determined the request to release and sell property at Liberal Mid-America Regional Airport (LBL) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release and sale of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Liberal Mid-America Regional Airport (LBL) is proposing the release and sale of a parcel of airport property, totaling 0.27 acres. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the release of land and surface rights at the Liberal Mid-America Regional Airport (LBL) from the conditions of the AIP Grant Agreement Grant Assurances, but retaining the mineral rights. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value and the property will continue to be used as an industrial park building site.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, request an appointment and inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Liberal Mid-America Regional Airport.

Issued in Kansas City, MO, on August 5, 2020.

James A. Johnson,
Director, FAA Central Region, Airports Division.
